Apex Systems Mexico Recognized as One of the Best Places to Work in the Western Region 2024

2024-10-16

Nearshore Delivery Center provides clients with top-tier IT talent and solutions

RICHMOND, Va.--(BUSINESS WIRE)-- Apex Systems, a leading global technology services firm, and ASGN brand (NYSE: ASGN), is excited to share the recent recognition received by its Mexico Delivery Center (MDC) as one of the Best Places to Work in the Western Region 2024 by Great Place to Work® (GPTW®), an esteemed authority on workplace culture. This recognition also marks the MDC's recertification as a Great Place to Work for the period from 2024 to 2025.

Great Place to Work® Survey Results

Great Place to Work ® recognized 60 organizations in the Western Region. Apex Systems received second out of the 20 companies recognized in the 500 to 5,000 employees' category. GPTW® captures feedback using their Trust Index®, a culture and work environment survey. This year's survey results revealed an impressive 87% of employees recommending their organization as an excellent place to work.

"We are honored to be recognized as one of the Best Places to Work in the Western Region," said Jeff Schmalbach, Chief Consulting Officer at Apex Systems. "Our Mexico Delivery Center exemplifies our commitment to delivering exceptional value to our clients. From the MDC, we provide a range of innovative technology solutions tailored to meet the unique needs of our client base. Our team in Mexico is dedicated to ensuring client satisfaction and delivering high-quality results."

The Mexico Delivery Center's Unique Solutions Delivery Model

MDC teams in Guadalajara and Monterrey, along with smaller offices nationwide, provide a unique delivery model for Fortune 500 and 1000 clients seeking skilled talent in similar time zones who not only speak the same language but also offer leading IT solutions at competitive rates. Solutions delivery teams have the vast resources of professionals based in Mexico and can leverage Apex Systems' expansive network of consultants in the United States.

The MDC's technical capabilities span a broad spectrum of services, encompassing Application Development, Agile/Project Management, Data Engineering and AI, QA Automation, Support Services, and Cloud solutions.

These comprehensive capabilities underscore Apex Systems' commitment to delivering innovative solutions that empower businesses to thrive in the digital age.

Daniel Guzman, Head of Global Practice and Technical Delivery, emphasized this unique nearshore offering. "Utilizing our resources in Mexico has proven very beneficial for our Company and our clients. By integrating our local expertise with international resources, the MDC consistently provides solutions that propel our clients to success. Being acknowledged by our employees as an excellent place to work makes our client accomplishments even more impactful."
