

Apex Systems Reaches Silver Tier in Databricks Partner Program

2026-03-26

New status enables Apex customers to reach successful data and AI outcomes faster than ever before

RICHMOND, Va.--(BUSINESS WIRE)-- Apex Systems, a leading global technology solutions firm and one of seven ASGN brands that will be unifying under the new Everforth brand (NYSE: ASGN), today announced the latest evolution of its partnership with **Databricks**, the Data and AI company, by reaching the Silver Tier in the Brickbuilder Partner Network.

Through the partnership with Databricks, Apex Systems helps enterprise clients implement and scale data engineering, collaborative data science, full lifecycle machine learning, and business analytics initiatives. Now, by achieving Silver Partner status, Apex marks a meaningful milestone in further helping clients unlock the full power of data and AI. This new tier better enables Apex to deliver solutions that accelerate modernization, simplify complex data challenges, and create real business impact.

“Data is the lifeblood of impactful AI solutions, and our expanded collaboration with Databricks signals a shared vision for what’s possible,” said Tyler Boggess, Databricks Alliance Executive at Apex Systems. “By strengthening our partnership, we are not only empowering our clients to achieve smarter, faster outcomes, but also reinforcing the confidence Databricks places in our team’s expertise and leadership in the industry. Together, we are shaping the future of data-driven innovation.”

Key Apex and Databricks offerings available to customers include:

- Modernizing scalable cloud-native services
- Rapid Greenfield Databricks Implementation
- Implementing Massive Parallel Processing to optimize data-driven insight
- Key information extraction from data with analytics, data engineering, and AI
- Unity Catalog Modernization for data governance and lineage
- Databricks Lakehouse Deployment to optimize data workloads

Collaboration lies at the heart of Apex's success. Learn more about Apex's relationship with Databricks by visiting [Databricks' partnership page](#), and find out more about our technology partners [here](#).

About Apex Systems

Apex Systems is a leading global technology solutions firm that incorporates industry insights and experience to deliver solutions that fulfill our clients' digital visions. Through our ability to innovate alongside our customers, we build and deploy the right artificial intelligence solutions to realize business value and improve customer experiences. Our alliances with cutting-edge technology partners empower our customers by providing them with the latest advancements. Apex has a presence in over 70 markets across North America, Europe, and India. Apex is a part of the commercial segment of ASGN Incorporated (NYSE: ASGN). To learn more, visit www.apexsystems.com.

About ASGN Incorporated, transitioning to Everforth

ASGN Incorporated (NYSE: ASGN) is a leading provider of IT solutions for commercial and government clients. In November 2025, ASGN announced its intent to rebrand to Everforth, a new parent brand unifying its seven brands — Apex Systems, Creative Circle, CyberCoders, ECS, GlideFast, TopBloc, and Quinnox — under a single identity.

During the transition, ASGN will continue operating under its existing commercial and government brands. Clients, partners, and suppliers can expect a seamless experience, led by the same trusted teams with greater resources and stronger cross-brand collaboration. ASGN's transition to Everforth will take place in the first half of 2026.

Everforth is a leading technology and digital engineering company with six core solution areas: AI and data, cloud and infrastructure, digital engineering, customer experience, cybersecurity, and enterprise platforms. Through proprietary assets, accelerators, and proven expertise, Everforth delivers measurable outcomes that help organizations adapt, innovate, and thrive.

Everforth: Adapt and Thrive.
