## LETTER FROM THE CHAIRMAN

---

Dear Stockholder:

You are cordially invited to attend the 2016 annual meeting of stockholders of Las Vegas Sands Corp., which will be held on June 3, 2016 at 11:30 a.m., Eastern time, at The St. Regis New York located at Two E. 55th Street, New York, New York 10022.

Details regarding admission to the meeting and the business to be presented at the meeting can be found in the accompanying Notice of Annual Meeting and Proxy Statement.

This year, we again are pleased to take advantage of Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders via the Internet. We believe that these rules allow us to provide our stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of producing and distributing materials for our annual meeting. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “*Notice*”) to our stockholders of record and beneficial owners, unless they have directed us to provide the materials in a different manner. The Notice provides instructions on how to access and review all of the important information contained in the accompanying Proxy Statement and Annual Report to Stockholders, as well as how to submit a proxy by telephone or over the Internet. If you receive the Notice and would still like to receive a printed copy of our proxy materials, instructions for requesting these materials are included in the Notice. The Company plans to mail the Notice to stockholders by April 22, 2016. The Company will continue to mail a printed copy of this Proxy Statement and form of proxy to certain stockholders, and it expects that mailing will begin on or about April 22, 2016.

Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the meeting. Please follow the instructions in the Notice and vote as soon as possible.

On behalf of the Board of Directors and the management of Las Vegas Sands Corp., thank you very much for your support.

Yours sincerely,

SHELDON G. ADELSON  
*Chairman of the Board  
and Chief Executive Officer*

## PROXY STATEMENT

---

### PROXY AND VOTING INFORMATION

Our Board of Directors (the “*Board*”) has provided you with these proxy materials in connection with its solicitation of proxies to be voted at the annual meeting of stockholders. We will hold the annual meeting on Friday, June 3, 2016, at The St. Regis New York located at Two E. 55<sup>th</sup> Street, New York, New York 10022, beginning at 11:30 a.m., Eastern time. Please note that throughout these proxy materials we may refer to Las Vegas Sands Corp. as “the Company,” “we,” “us,” or “our.”

We are sending a Notice of Internet Availability of Proxy Materials (the “*Notice*”) to our stockholders of record and beneficial owners, unless they have directed us to provide the materials in a different manner. The Notice provides instructions on how to access and review all of the important information contained in this Proxy Statement, as well as how to submit a proxy by telephone or over the Internet. If you receive the Notice and would still like to receive a printed copy of our proxy materials, instructions for requesting these materials are included in the Notice. The Company plans to mail the Notice to stockholders by April 22, 2016. The Company will continue to mail a printed copy of this Proxy Statement and form of proxy to certain stockholders, and it expects that mailing to begin on or about April 22, 2016.

#### Who Can Vote

Only stockholders of record of the Company’s Common Stock, \$0.001 par value per share (the “*Common Stock*”), as of April 11, 2016 will be entitled to vote at the meeting or any adjournment thereof.

#### How Many Shares Can Be Voted

The authorized capital stock of the Company presently consists of 1,000,000,000 shares of Common Stock. At the close of business on April 11, 2016, 794,718,776 shares of Common Stock were outstanding and entitled to vote. Each stockholder is entitled to one vote for each share held of record on that date on all matters that may come before the meeting. There is no cumulative voting in the election of directors.

#### How You Can Vote

You may attend the annual meeting and vote your shares in person. You may also grant your proxy to vote by telephone or through the Internet by following the instructions included on the Notice, or by returning a signed, dated and marked proxy card if you received a paper copy of the proxy card.

The presence, in person or by proxy, of the holders of at least a majority of the total number of outstanding shares of the Common Stock is necessary to constitute a quorum at the meeting. If you are the beneficial owner of shares held in “street name” by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. In accordance with the rules of the New York Stock Exchange (the “*NYSE*”), a brokerage firm may give a proxy to vote its customer’s stock without customer instructions if the brokerage firm (i) transmitted proxy materials to the beneficial owner of the stock, (ii) did not receive voting instructions by the date specified in the statement accompanying the proxy materials, and (iii) has no knowledge of any contest with respect to the actions to be taken at the stockholders’ meeting and such actions are adequately disclosed to stockholders. In addition, under current NYSE rules, brokerage firms may not vote their customers’ stock without instructions from the customer if the vote concerns the election of directors, a matter relating to executive compensation, including the advisory proposal on compensation, which will be voted on at the meeting, or an authorization for a merger, consolidation or any matter that could substantially affect the rights or privileges of the stock. Abstentions and broker non-votes are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business.

The affirmative vote of a plurality of the votes cast at the meeting will be required for the election of directors. Each other item to be acted upon at the meeting requires the affirmative vote of the holders of a majority of the shares of Common Stock represented at the meeting in person or by proxy and entitled to vote on the item, assuming that a quorum is present or represented at the meeting. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, and will have no effect. With respect to the other proposals, a properly executed proxy marked "ABSTAIN," although counted for purposes of determining whether there is a quorum, will not be voted. Accordingly, an abstention will have the same effect as a vote cast against a proposal. Under Nevada law, a broker non-vote will have no effect on the outcome of the matters presented for a stockholder vote at this meeting.

Sheldon G. Adelson, the Chairman of the Board and Chief Executive Officer of our Company, his wife, Dr. Miriam Adelson, and trusts and other entities for the benefit of the Adelsons and their family members together beneficially owned approximately 54.3% of our outstanding Common Stock as of the record date. Mr. Adelson, Dr. Adelson, the trustees for the various trusts and individuals authorized to vote the shares of Common Stock held by such other entities have indicated that they will vote the shares of Common Stock over which they exercise voting control in accordance with the recommendations of our Board as set forth below.

Brokers are not permitted to vote on the election of directors or on the advisory proposal on executive compensation without instructions from the beneficial owner. Therefore, if your shares are held in the name of your broker, bank or other nominee, your vote is especially important this year. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the annual meeting in the manner provided for by your bank, broker, or other nominee. Without these instructions, shares held by beneficial owners will not be voted in the election of directors as set forth in Proposal No. 1 below or the advisory proposal on executive compensation as set forth in Proposal No. 3 below.

**If you duly submit a proxy but do not specify how you want to vote, your shares will be voted as our Board recommends, which is:**

- **"FOR" the election of each of the nominees for director as set forth under Proposal No. 1 below;**
- **"FOR" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2016 as described in Proposal No. 2 below; and**
- **"FOR" the advisory proposal on executive compensation as described in Proposal No. 3 below.**

### **How to Revoke or Change Your Vote**

You may revoke or change your proxy at any time before it is exercised in any of three ways:

- by notifying the Corporate Secretary of the revocation or change in writing;
- by delivering to the Corporate Secretary a later dated proxy; or
- by voting in person at the annual meeting.

You will not revoke a proxy merely by attending the annual meeting. To revoke or change a proxy, you must take one of the actions described above.

If you hold your shares in a brokerage or other account, you may submit new voting instructions by contacting your broker, bank or nominee.

Any revocation of a proxy, or a new proxy bearing a later date, should be sent to the following address: Corporate Secretary, Las Vegas Sands Corp., 3355 Las Vegas Sands Boulevard South, Las Vegas, Nevada 89109. To revoke a proxy previously submitted by telephone, Internet or mail, simply submit a new proxy at a later date before the taking of the vote at the annual meeting, in which case, the later submitted proxy will be recorded and the earlier proxy will be revoked.

## **Other Matters to be Acted upon at the Meeting**

Our Board presently is not aware of any matters other than those specifically stated in the Notice of Annual Meeting that are to be presented for action at the annual meeting. If any matter other than those described in this Proxy Statement is presented at the annual meeting on which a vote may properly be taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

## **Adjournments and Postponements**

Any action on the items of business described above may be considered at the annual meeting at the time and on the date specified above or at any time and date to which the annual meeting may be properly adjourned or postponed.

## **Electronic Delivery of Proxy Materials and Annual Report**

The Notice of Annual Meeting and Proxy Statement and the Company's 2015 Annual Report are available at <http://investor.sands.com/proxy.cfm>. These materials are also available on the Investor Relations page of our website, <http://investor.sands.com>. In the future, for stockholders who have not already opted to do so, instead of receiving copies of the Notice of Annual Meeting and Proxy Statement and annual report in the mail, stockholders may elect to view proxy materials for the annual meeting on the Internet or receive proxy materials for the annual meeting by e-mail. The Notice will provide you with instructions regarding how to view our proxy materials for the annual meeting on the Internet and how to instruct us to send future proxy materials to you electronically by e-mail. Receiving your proxy materials online saves the Company the cost of producing and mailing documents to your home or business and gives you an automatic link to the proxy voting site.

*Stockholders of Record.* If your shares are registered in your own name, to enroll in the electronic delivery service go directly to the website of our transfer agent, American Stock Transfer & Trust Company, <https://www.amstock.com> at any time and follow the instructions.

*Beneficial Stockholders.* If your shares are not registered in your name, check the information provided to you by your bank or broker to enroll in the electronic delivery service, or contact your bank or broker for information on electronic delivery service.

## **Delivery of One Notice or Proxy Statement and Annual Report to a Single Household to Reduce Duplicate Mailings**

In connection with the Company's annual meeting of stockholders, the Company is required to send to each stockholder of record a Notice or a Proxy Statement and annual report, and to arrange for a Notice or a Proxy Statement and annual report to be sent to each beneficial stockholder whose shares are held by or in the name of a broker, bank, trust or other nominee. Because many stockholders hold shares of Common Stock in multiple accounts, this process would result in duplicate mailings of Notices or Proxy Statements and annual reports to stockholders who share the same address. To avoid this duplication, unless the Company receives instructions to the contrary from one or more of the stockholders sharing a mailing address, only one Notice or Proxy Statement and annual report will be sent to each address. Stockholders may, on their own initiative, avoid receiving duplicate mailings and save the Company the cost of producing and mailing duplicate documents as follows:

*Stockholders of Record.* If your shares are registered in your own name and you are interested in consenting to the delivery of a single Notice or Proxy Statement and annual report, to enroll in the electronic delivery service go directly to our transfer agent's website at <https://www.amstock.com> anytime and follow the instructions.

*Beneficial Stockholders.* If your shares are not registered in your own name, your broker, bank, trust or other nominee that holds your shares may have asked you to consent to the delivery of a single Notice or Proxy Statement and annual report if there are other Las Vegas Sands Corp. stockholders who share an address with you. If you currently receive more than one Notice or Proxy Statement and annual report at your household, and would like to receive only one copy of each in the future, you should contact your nominee.

*Right to Request Separate Copies.* If you consent to the delivery of a single Notice or Proxy Statement and annual report but later decide that you would prefer to receive a separate copy of the Notice or Proxy Statement and annual report, as applicable, for each stockholder sharing your address, then please notify us or your nominee, as applicable, and we or they will promptly deliver such additional Notices or Proxy Statements and annual reports. If you wish to receive a separate copy of the Notice or Proxy Statement and annual report for each stockholder sharing your address in the future, you may contact our transfer agent, American Stock Transfer & Trust Company, directly by telephone at 1-800-937-5449 or by visiting its website at <https://www.amstock.com> and following the instructions.

**Important Notice about Security**

All meeting attendees may be asked to present a valid, government-issued photo identification (federal, state or local), such as a driver's license or passport, and proof of beneficial ownership if you hold your shares through a broker, bank or other nominee before entering the meeting. Attendees may be subject to security inspections. Video and audio recording devices and other electronic devices will not be permitted at the meeting.

(1) A person is deemed to be a “beneficial owner” of a security if that person has or shares voting power, which includes the power to vote or direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are deemed to be outstanding for purposes of computing such person’s ownership percentage, but not for purposes of computing any other person’s percentage. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of such securities as to which such person has no economic interest. Except as otherwise indicated in these footnotes, each of the beneficial owners has, to our knowledge, the sole voting and investment power with respect to the indicated shares of Common Stock. Percentages are based on 794,718,776 shares issued and outstanding at the close of business on April 12, 2016 (including unvested shares of restricted stock, but excluding treasury shares), plus any shares of our Common Stock underlying options held by all individuals listed on the table that are vested and exercisable.

## BOARD OF DIRECTORS

Our Board currently has ten directors, divided into three classes, designated as Class I, Class II and Class III. Members of each class serve for a three-year term. Stockholders elect one class of directors at each annual meeting. The term of office of the current Class III directors will expire at the 2016 annual meeting. The term of office of the current Class I directors will be subject to renewal in 2017, and the term of office of the current Class II directors will be subject to renewal in 2018. Each director holds office until his or her successor has been duly elected and qualified or the director's earlier resignation, death or removal.

We have nominated four individuals to serve as Class III directors: Sheldon G. Adelson, Irwin Chafetz, Robert G. Goldstein and Charles A. Koppelman. Each of the nominees is a current director of the Company who has indicated that he will serve if elected. We do not anticipate that any of the nominees will be unable or unwilling to stand for election, but if that happens, your proxy will be voted for another person nominated by the Board.

In addition to the specific professional experience of our directors, we chose our directors because they are highly accomplished in their respective fields, insightful and inquisitive. In addition, we believe each of our directors possesses sound business judgment and is highly ethical. While we do not have a formal diversity policy, we consider a wide range of factors in determining the composition of our Board, including professional experience, skills, education, training and background.

The nominees for election for a three-year term ending in 2019 and their backgrounds are as follows:

## INFORMATION REGARDING THE BOARD OF DIRECTORS AND BOARD AND OTHER COMMITTEES

### Board

*NYSE Listing Standards.* As required by the NYSE's corporate governance rules, the Company's Board currently has a majority of independent directors. In addition, all of the members of the Company's Audit Committee, Compensation Committee, Nominating and Governance Committee and Compliance Committee are independent directors.

Although the Company qualifies as a "controlled company" because Mr. Adelson, his wife and trusts and other entities for the benefit of the Adelsons and their family members control more than 50 percent of the voting power of the Company's Common Stock, the Board has determined that it will not take advantage of the exemptions provided under the NYSE governance rules for "controlled companies."

*Independent Directors.* The Board has determined that six of the ten current members of the Board, namely Mr. Ader, Ms. Chau, Mr. Gerard, Mr. Jamieson, Mr. Koppelman and Mr. Levi, satisfy the criteria for independence under applicable rules promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the NYSE corporate governance rules. In making its determinations, the Board reviewed all the relevant facts and circumstances, the standards set forth in our Corporate Governance Guidelines, the NYSE rules and other applicable laws and regulations.

Two of our outside directors, Messrs. Chafetz and Forman, have business and personal relationships with our controlling stockholder, Mr. Adelson. Mr. Chafetz was a stockholder, vice president and director of the entity that owned and operated the COMDEX trade show and The Sands Expo and Convention Center, which were created and developed by Mr. Adelson. Mr. Forman was vice president and general counsel of this entity. Mr. Chafetz also is a trustee of several trusts for the benefit of Mr. Adelson's family members that beneficially own shares of our Common Stock. For additional information, see "Proxy and Voting Information — How You Can Vote" and "Principal Stockholders" above. These relationships with Mr. Adelson also include making joint investments and other significant financial dealings. As a result, Messrs. Adelson, Chafetz and Forman may have their financial interests aligned and, therefore, the Board does not consider Messrs. Chafetz and Forman to be independent directors.

*Board Meetings.* The Board held nine meetings and acted by written consent six times during 2015. The work of the Company's directors is performed not only at meetings of the Board and its committees, but also by consideration of the Company's business through the review of documents and in numerous communications among Board members and others. In 2015, all directors attended at least 75% of the aggregate of all meetings of the Board and committees on which they served during the periods in which they served, except for Michael A. Leven who retired from the Board in April 2016.

*Annual Meeting.* Our directors are encouraged to attend each annual meeting of stockholders and all of our directors attended our 2015 annual meeting of stockholders held on June 4, 2015.

### Board Committees

*Standing and Other Committees.* Our Board has four standing committees: an audit committee (the "Audit Committee"), a compensation committee (the "Compensation Committee"), a nominating and governance committee (the "Nominating and Governance Committee") and a compliance committee (the "Compliance Committee"). In addition, the Board established a COO Search Committee in December 2012, which was dissolved in January 2015.

*Audit Committee.* The Audit Committee operates under a written charter. The primary purpose of the Audit Committee is to assist the Board in monitoring the integrity of our financial statements, our independent registered public accounting firm's qualifications and independence, the performance of our audit function, and the compliance of our independent registered public accounting firm and our Company with legal and regulatory requirements. Among other things, our Audit Committee selects our independent registered public accounting firm and reviews with such firm the plan, scope and results of our annual audit, and the fees for the services per-

formed. The Audit Committee also reviews the adequacy of our internal control systems with management and the independent registered public accounting firm and receives internal audit reports, and subsequently reports its findings to the full Board. In addition, the Audit Committee is charged with reviewing related party transactions as further described below under “Corporate Governance — Related Party Transactions” and with overseeing the Company’s enterprise risk management as further described below under “Corporate Governance — The Board’s Role in Risk Oversight” and its cyber security program. The Audit Committee also oversees the Company’s responses to designated stockholder derivative actions.

The current members of our Audit Committee are George Jamieson (Chair), Jason N. Ader and Steven L. Gerard. The Board has determined that Messrs. Jamieson, Ader and Gerard are each independent under applicable NYSE and federal securities rules and regulations on independence of Audit Committee members. The Board has determined that each of the members of the Audit Committee is “financially literate” and that Mr. Jamieson qualifies as an “audit committee financial expert,” as defined in the NYSE’s listing standards and federal securities rules and regulations. The Audit Committee held 12 meetings and did not act by written consent during 2015. The Audit Committee’s activities also are undertaken by numerous discussions and other communications among its members and others.

*Compensation Committee.* The Compensation Committee operates under a written charter pursuant to which it has direct responsibility for the compensation of our executive officers. The Compensation Committee has the authority to set salaries, bonuses and other elements of employment and to approve employment agreements for our executive officers and certain other highly compensated employees. In addition, the Compensation Committee has the authority to approve employee benefit plans as well as to administer our 2004 Equity Award Plan. The Compensation Committee also is involved in the Company’s enterprise risk management process as further described below under “Corporate Governance — The Board’s Role in Risk Oversight” and “Corporate Governance — 2015 Executive Compensation Risk Assessment.”

The current members of the Compensation Committee are Steven L. Gerard, Micheline Chau and Charles A. Koppelman. The Compensation Committee held six meetings and acted by written consent three times during 2015. Additional information about the Compensation Committee, its responsibilities and its activities is provided below under “Compensation Discussion and Analysis.”

*Nominating and Governance Committee.* The Nominating and Governance Committee operates under a written charter and has the authority to, among other things, review and make recommendations regarding the composition of the Board and its committees; develop and implement policies and procedures for the selection of Board members; identify individuals qualified to become Board members; and select, or recommend that the Board select, director nominees. The Nominating and Governance Committee also is responsible for assessing, developing and making recommendations to the Board with respect to Board effectiveness and related corporate governance matters, including corporate governance guidelines and procedures intended to organize the Board appropriately; and overseeing the evaluation of the Board and management. The current members of the Nominating and Governance Committee are David F. Levi (member and Chair as of January 29, 2015), Jason N. Ader and Charles A. Koppelman. The current members of the Compliance Committee are Charles A. Koppelman (Chair), Micheline Chau, Steven L. Gerard and David F. Levi (as of January 29, 2015). The Compliance Committee held six meetings and did not act by written consent during 2015.

*Compensation Committee Interlocks and Insider Participation.* The members of the Compensation Committee during 2015 were Micheline Chau, Steven L. Gerard and Charles A. Koppelman. None of the

individuals who served as a member of our Compensation Committee during 2015 is, or has been, an employee or officer of the Company. None of our executive officers serves, or in the past year served, as a member of the Board or Compensation Committee of any entity that has one or more executive officers who serve on our Board or Compensation Committee.

#### **Other Non-Board Committee**

*Operational Compliance Committee.* The Company has an operational compliance committee (the “*Operational Compliance Committee*”) that operates under a written regulatory Compliance Program approved by the Nevada Gaming Control Board. The Company created the Operational Compliance Committee to exercise its best efforts to identify and evaluate situations arising in the course of the Company’s businesses, wherever conducted, which may have an adverse effect upon its objectives or those of gaming control and thereby cause concern to any gaming authority. The Operational Compliance Committee monitors the Company’s activities so as to assist the Company’s senior management with regard to the Company’s (a) business associations, that is, to protect the Company from associations with persons denied licensing or other related approvals, or who may be deemed unsuitable to be associated with the Company; (b) business practices and procedures; (c) compliance with any special conditions imposed upon the Company’s license(s); (d) reports submitted to gaming authorities; and (e) compliance with the laws, regulations and orders of governmental agencies having jurisdiction over the Company’s gaming or business activities. ## CORPORATE GOVERNANCE

*Commitment to Corporate Governance.* Our Board and management have a strong commitment to effective corporate governance. We have in place a comprehensive corporate governance framework for our operations which, among other things, takes into account the requirements of the Sarbanes-Oxley Act of 2002, the Dodd-Frank Wall Street Reform and Consumer Protection Act and the applicable rules and regulations of the Securities and Exchange Commission and the NYSE. The key components of this framework are set forth in our amended and restated articles of incorporation and by-laws, along with the following additional documents:

- our Audit Committee Charter;
- our Compensation Committee Charter;
- our Nominating and Governance Committee Charter;
- our Compliance Committee Charter;
- our Corporate Governance Guidelines;
- our Code of Business Conduct and Ethics;
- our Anti-Corruption Policy; and
- our Statement on Reporting Ethical Violations.

Copies of each of these documents are available on our website at <http://investor.sands.com> by clicking on “Investor Relations,” and then on the section entitled “Governance.” Copies also are available without charge by sending a written request to Investor Relations at the following address: Las Vegas Sands Corp., 3355 Las Vegas Boulevard South, Las Vegas, Nevada 89109.

*Corporate Governance Guidelines.* We have adopted Corporate Governance Guidelines for our Company that set forth the general principles governing the conduct of the Company’s business and the role, functions, duties and responsibilities of the Board, including, but not limited to, such matters as composition, membership criteria, orientation and continuing education, retirement, committees, compensation, meeting procedures, annual evaluation and management succession planning.

*Code of Business Conduct and Ethics.* We have adopted a Code of Business Conduct and Ethics that applies to all of the Company’s directors, officers (including the principal executive officer, principal financial officer and principal accounting officer), employees and agents. The Code of Business Conduct and Ethics establishes policies and procedures that the Board believes promote the highest standards of integrity, compliance with the law and personal accountability. The Company’s Code of Business Conduct and Ethics is provided to all new directors, officers and employees.

*Anti-Corruption Policy.* We have adopted an Anti-Corruption Policy to assure that the hospitality and business development practices of all of our operations anywhere in the world are fully consistent with applicable record keeping and anti-corruption laws, including the U.S. Foreign Corrupt Practices Act and the Sarbanes-Oxley Act of 2002. The Anti-Corruption Policy is provided to all new directors, officers and employees.

*Statement on Reporting Ethical Violations.* We have adopted a Statement on Reporting Ethical Violations to facilitate and encourage the reporting of any misconduct at the Company, including violations or potential violations of our Code of Business Conduct and Ethics, and to ensure that those reporting such misconduct will not be subject to harassment, intimidation or other retaliatory action. The Statement on Reporting Ethical Violations is provided to all new directors, officers and employees.

*Related Party Transactions.* We have established policies and procedures for the review, approval and/or ratification of related party transactions. Under its charter, the Audit Committee approves all related party transactions required to be disclosed in our public filings and all transactions involving executive officers or directors of the Company that are required to be approved by the Audit Committee under the Company’s Code of Business Conduct and Ethics. Our conflict of interest policy sets forth additional procedures governing related party transactions. Under our procedures, our executive officers and directors provide our corporate counsel’s office with

the details of any such proposed transactions. Under guidelines established by our Audit Committee, proposed transactions and matters requiring approval under our policies with aggregate values of less than \$120,000 per year are presented to the Audit Committee quarterly for review. Larger transactions are presented to our Audit Committee for review, discussion and approval. The Audit Committee may, in its discretion, request additional information from the director or executive officer involved in a proposed transaction or from management prior to granting approval for a related party transaction. All other related party transactions by individuals subject to our Code of Business Conduct and Ethics and conflict of interest policy must be approved by our Chief Compliance Officer and reported to the Compliance Committee and the Audit Committee.

*Nomination of Directors.* The Nominating and Governance Committee proposed to the Board the candidates nominated for election at this annual meeting. The Nominating and Governance Committee, in making its selection of director candidates, considered the appropriate skills and personal characteristics required in light of the then-current makeup of the Board and in the context of the perceived needs of the Company at the time.

The Nominating and Governance Committee considers a number of factors in selecting director candidates, including:

- the ethical standards and integrity of the candidate in personal and professional dealings;
- the independence of the candidate under legal, regulatory and other applicable standards;
- the diversity of the existing Board, so that a body of directors from diverse professional and personal backgrounds is maintained;
- whether the skills and experience of the candidate will complement that of the existing members of the Board;
- the number of other public company boards of directors on which the candidate serves or intends to serve, with the expectation that the candidate would not serve on the boards of directors of more than three other public companies;
- the ability and willingness of the candidate to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her Board duties;
- the ability of the candidate to read and understand fundamental financial statements and understand the use of financial ratios and information in evaluating the financial performance of the Company;
- the willingness of the candidate to be accountable for his or her decisions as a director;
- the ability of the candidate to provide wise and thoughtful counsel on a broad range of issues;
- the ability and willingness of the candidate to interact with other directors in a manner that encourages responsible, open, challenging and inspired discussion;
- whether the candidate has a history of achievements that reflects high standards;
- the ability and willingness of the candidate to be committed to, and enthusiastic about, his or her performance for the Company as a director, both in absolute terms and relative to his or her peers;
- whether the candidate possesses the courage to express views openly, even in the face of opposition;
- the ability and willingness of the candidate to comply with the duties and responsibilities set forth in the Company's Corporate Governance Guidelines and by-laws;
- the ability and willingness of the candidate to comply with the duties of care, loyalty and confidentiality applicable to directors of publicly traded corporations organized in the Company's jurisdiction of incorporation;
- the ability and willingness of the candidate to adhere to the Company's Code of Business Conduct and Ethics, including the policies on conflicts of interest expressed therein; and
- such other attributes of the candidate and external factors as the Board deems appropriate.

The Nominating and Governance Committee has the discretion to weight these factors as it deems appropriate. The importance of these factors may vary from candidate to candidate.

The Nominating and Governance Committee will consider candidates recommended by directors and members of management and may, in its discretion, engage one or more search firms to assist in the recruitment of director candidates. The Nominating and Governance Committee does not have a policy for considering director candidates recommended by security holders and believes that not having such a policy is appropriate in light of the significant ownership of the Company's Common Stock by Mr. Adelson and his family.

*Board Leadership Structure.* Mr. Adelson serves as the Chairman of the Board and Chief Executive Officer of our Company. Mr. Adelson is the founder of our Company and has served as its Chairman and Chief Executive Officer since the Company was founded. The Board believes that Mr. Adelson is best suited to serve as both its Chairman and Chief Executive Officer because he is the most familiar with the Company's businesses and industry and best able to establish strategic priorities for the Company. In addition, Mr. Adelson, his wife and trusts and other entities for the benefit of the Adelsons and their family members together beneficially owned approximately 54.3% of our outstanding Common Stock as of the record date. Accordingly, Mr. Adelson exercises significant influence over our business policies and affairs, including the composition of our Board of Directors. As a result, the Board believes that Mr. Adelson's continuing service as both Chairman and Chief Executive Officer is beneficial to the Company and provides an effective leadership structure. The Company does not have a lead director.

*The Board's Role in Risk Oversight.* The Board of Directors, directly and through its committees, is actively involved in the oversight of the Company's risk management policies. The Audit Committee is charged with overseeing enterprise risk management, generally, and with reviewing and discussing with management the Company's major financial risk exposures and the steps management has taken to monitor, control and manage these exposures, including the Company's risk assessment and risk management guidelines and policies. The Compensation Committee oversees the Company's compensation policies generally to determine whether they create risks that are reasonably likely to have a material adverse effect on the Company. The Compliance Committee assists the Board in overseeing the Company's compliance program, including compliance with the laws and regulations applicable to the Company's business and compliance with the Company's Code of Business Conduct and Ethics and other policies. The Audit Committee, the Compensation Committee and the Compliance Committee receive reports from, and discuss these matters with, management and regularly report on these matters to the Board.

*2015 Executive Compensation Risk Assessment.* The Compensation Committee has evaluated the Company's compensation structure from the perspective of enterprise risk management and the terms of the Company's compensation policies generally and does not believe that the Company's compensation policies and practices provide incentives for employees to take inappropriate business risks or risks that are reasonably likely to have a material adverse effect on the Company. As described under "Compensation Discussion and Analysis" below regarding bonuses for our named executive officers, Mr. Adelson is eligible to receive bonuses under his employment agreement, subject to the Company's achieving predetermined EBITDA-based performance goals. Under their employment agreements or other employment arrangements, the other named executive officers are eligible for discretionary bonuses, up to a target percentage of their respective base salaries. Similarly, any bonuses for employees other than the named executive officers are granted on a discretionary basis. In making its determinations regarding 2015 bonuses for Mr. Goldstein and Mr. Raphaelson, the Compensation Committee's decision was based on the Company's achievement of pre-determined EBITDA-based performance targets. In making its determinations regarding the 2015 bonus for Mr. Markantonis, the Compensation Committee's decision was based on the achievement of pre-determined EBITDA-based performance targets by the Company's Las Vegas properties. Pursuant to Mr. Quartieri's Separation Agreement (as defined below), he was entitled to a prorated bonus for 2015, payable if, when and to the extent such bonuses were paid to like situated executives. In making its determination regarding Mr. Quartieri's 2015 bonus, the Compensation Committee gave equal weighting to (a) the Company's achievement of the Company's pre-determined EBITDA-based performance targets and (b) his individual performance. The Compensation Committee believes that the Company's compensation policies do not incentivize our named executive officers or other employees to take inappropriate business risks or risks that are reasonably likely to have a material adverse effect on the Company because the discretionary nature of the bonuses and the weighting of financial and individual performance factors means there may not be any direct correlation between any particular action by an employee and the employee's receipt of a bonus.

*Presiding Non-Management Director.* In accordance with applicable rules of the NYSE and the Company's Corporate Governance Guidelines, the Board has adopted a policy to meet at least quarterly in executive session without management directors or any members of the Company's management being present. In addition, the Board's independent directors meet at least once each year in executive session. At each executive session, a presiding director chosen by a majority of the directors present will preside over the session.

*Stockholder Communications with the Board and Audit Committee.* The Board has established a process for stockholders and interested parties to communicate with members of the Board, the Audit Committee, the non-management directors and the presiding non-management director of executive sessions of the Board.

### **The Objectives of Our Executive Compensation Program**

Our executive compensation program is overseen by the Compensation Committee of the Board of Directors. The Compensation Committee has developed an executive compensation program that is designed to:

- attract and retain key executive talent by providing the named executive officers with competitive compensation;
- reward the named executive officers based upon the achievement of Company, property and individual performance goals; and
- align the interests of the named executive officers with those of our stockholders.

### **Advisory Vote on Executive Compensation**

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, at our 2015 annual meeting, our stockholders provided an advisory (non-binding) vote on the fiscal 2014 compensation of our named executive officers, which we refer to as the "say-on-pay" vote. The compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC (including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in the proxy statement) was

approved, with more than 77% of the votes cast voting “for” approval of the “say-on-pay” proposal. The Compensation Committee noted the results of this vote, which is advisory and not binding on the Board of Directors. There were no changes to the Company’s compensation programs based on the results of the 2015 “say-on-pay” vote.

### **The Process of Setting Executive Compensation**

We have entered into employment agreements with Messrs. Adelson, Goldstein and Raphaelson and our subsidiary, Venetian Casino Resort, LLC, has entered into an employment agreement with Mr. Markantonis. The employment agreements provide the overall framework for the compensation for these named executive officers, including base salary and target bonus amounts. Mr. Quartieri, our former principal financial officer, did not have an employment agreement with us. The Company and Mr. Quartieri entered into a Separation Agreement and General Release, dated November 4, 2015 (Mr. Quartieri’s “*Separation Agreement*”) in connection with his resignation from the Company. The Compensation Committee approved the compensation packages for Messrs. Adelson, Goldstein, Raphaelson and Markantonis at the time we entered into their respective employment agreements or arrangements and approved all bonuses and equity awards granted during the terms of these agreements or employment during the period in which these individuals served as a named executive officer. The Compensation Committee considered the views and recommendations of our Chief Executive Officer in establishing 2015 compensation for Mr. Goldstein and the views and recommendations of our Chief Executive Officer and Mr. Goldstein in establishing 2015 compensation for Messrs. Raphaelson, Markantonis and Quartieri and certain other highly compensated employees.

### **The Committee’s Compensation Consultant**

The Compensation Committee retained AETHOS Consulting Group as its independent executive compensation consultant for 2015. AETHOS Consulting Group provides its advice on an as-needed basis upon the request of the Compensation Committee. During 2015, AETHOS Consulting Group provided peer group analyses to the Compensation Committee in connection with determining compensation levels for some of our named executive officers. AETHOS Consulting Group provided additional analysis on long-term compensation awards, including the length, vesting and frequency, for the positions of chief executive officer, general counsel and chief financial officer. The Company paid AETHOS Consulting Group \$50,000 for its services to the Compensation Committee during 2015. In addition, AETHOS Consulting Group was paid \$100,000 for compensation consulting to the Company’s management team regarding long-term incentive plan planning and analysis.

The Compensation Committee determined that AETHOS Consulting Group is independent under applicable SEC and NYSE rules based on the Committee’s review of the services provided to the Company described above and information provided by AETHOS Consulting Group.

## Elements of Executive Officer Compensation and Why We Chose to Pay Each Element

In 2015, the principal components of compensation for the named executive officers were:

- base salary;
- annual cash bonus;
- equity awards;
- personal benefits; and
- for Messrs. Adelson, Goldstein, Raphaelson and Markantonis, severance and/or change in control protection and for Mr. Quartieri, severance benefits pursuant to his Separation Agreement.

### *Employment Agreements*

Messrs. Adelson, Goldstein, Raphaelson and Markantonis are employed pursuant to multi-year employment agreements that reflect the individual negotiations with each of them. We use multi-year employment agreements to foster retention and succession planning, to be competitive and to protect the business with restrictive covenants, such as non-competition, non-solicitation and confidentiality provisions. The employment agreements provide for severance pay in the event of the involuntary termination of the executive's employment without cause (or, where applicable, termination for good reason), which allows these executives to remain focused on the Company's interests and, where applicable, serves as consideration for the restrictive covenants in their employment agreements.

*Mr. Adelson.* In 2004, in connection with our initial public offering, we entered into a long-term employment agreement with Mr. Adelson with an initial term of five years, subject to automatic extensions for successive one-year periods unless one party gives notice of his or its intention not to renew the agreement no later than 120 days prior to the expiration of the initial or any renewal term of the agreement. Accordingly, Mr. Adelson's employment agreement has been extended for successive one-year periods on the same financial terms, most recently in December 2015. The Compensation Committee believed that extending Mr. Adelson's employment agreement in 2015 was in the best interests of the Company and its stockholders and that, based on discussions with AETHOS Consulting Group, the terms of Mr. Adelson's employment agreement were fair to the Company.

*Mr. Goldstein.* On December 9, 2014, we entered into an agreement with Mr. Goldstein, effective January 1, 2015, that modified his then existing employment agreement in connection with his promotion to the position of President and Chief Operating Officer. The Compensation Committee considered factors including Mr. Goldstein's performance as the Company's Executive Vice President, his tenure at the Company, his business experience and knowledge of the gaming industry, retaining his services for the five-year term of the agreement and the Chief Executive Officer's recommendations when approving Mr. Goldstein's employment agreement.

*Mr. Raphaelson.* Effective November 1, 2011, the Company entered into an employment agreement with Mr. Raphaelson with a term of four years (as amended, Mr. Raphaelson's "2011 Employment Agreement"). On February 18, 2016, the Company entered into a new employment agreement, effective November 1, 2015, with Mr. Raphaelson that terminates on December 31, 2019 (Mr. Raphaelson's "2016 Employment Agreement"). The Compensation Committee considered factors including Mr. Raphaelson's legal background and experience when approving Mr. Raphaelson's 2011 Employment Agreement and, in addition, his performance and assumption of administrative responsibilities at the Company when approving Mr. Raphaelson's 2016 Employment Agreement.

*Mr. Markantonis.* Effective March 17, 2015, the Company's subsidiary, Venetian Casino Resort, LLC, entered into an employment agreement with Mr. Markantonis that terminates on March 1, 2020. The Compensation Committee considered factors, including Mr. Markantonis's extensive experience in the hospitality and gaming industry when approving his employment agreement.

*Mr. Quartieri.* Mr. Quartieri did not have an employment agreement with us. In connection with his resignation, Mr. Quartieri and the Company entered into his Separation Agreement.

The major elements of our executive officer compensation and details regarding how each component was determined are described below.

### ***Base Salary***

Base salary levels for the named executive officers are set forth in their respective employment agreements or other arrangements. The base salary amounts were determined at the time we entered into the various employment agreements or the other arrangements were determined, based on each individual's professional experience and scope of responsibilities within our organization, compensation levels for others holding similar positions in other organizations, and compensation levels for senior executives at the Company.

The employment agreements for Messrs. Adelson, Goldstein, Raphaelson and Markantonis and the arrangement with Mr. Quartieri provided for annual base salaries which may be subject to periodic performance increases. Their base salaries as of December 31, 2015 were:

- Mr. Adelson, \$1,000,000;
- Mr. Goldstein, \$3,250,000;
- Mr. Raphaelson, \$1,750,000; and
- Mr. Markantonis, \$1,100,000.

Mr. Quartieri's annual base salary was \$525,000 as of the date of his resignation in November 2015.

Mr. Adelson's base salary was unchanged from December 31, 2014. Effective January 1, 2015, Mr. Goldstein's base salary increased to \$3,250,000 pursuant to his employment agreement and increased to \$3,400,000, effective January 1, 2016. In February 2016, Mr. Raphaelson's base salary was retroactively increased from \$1,500,000 to \$1,750,000 as of November 1, 2015 pursuant to his 2016 Employment Agreement.

### ***Short-term Incentives***

For 2015, Messrs. Adelson, Goldstein, Raphaelson, Markantonis and Quartieri were eligible for annual performance-based cash incentives under the Company's Executive Cash Incentive Plan, which was created to establish a program of annual incentive compensation awards for designated officers and other key executives

that is directly related to our performance results. Some of these named executive officers also were entitled to discretionary bonuses awarded pursuant to their employment agreements or by a determination of the Compensation Committee. The Compensation Committee retains the right to exercise discretion in determining bonus levels for these named executive officers.

*Mr. Adelson*

Mr. Adelson is eligible for two types of annual performance-based incentive opportunities under his 2004 employment agreement; a base bonus and an annual supplemental bonus. The target base bonus and annual supplemental bonus opportunities are described in Mr. Adelson's employment agreement, as set forth below.

*Base bonus.* Mr. Adelson is eligible for cash incentive bonuses earned and payable quarterly primarily subject to the Company's attainment of predetermined EBITDA-based performance targets. Base bonus payments may range from \$0 (if the Company does not achieve the predetermined EBITDA performance target) to a defined maximum opportunity specified in Mr. Adelson's employment agreement. Mr. Adelson's target base bonus for 2005 was \$500,000. Commencing with 2006 and for each year during the term of his employment, the amount of Mr. Adelson's target annual base bonus increases automatically by at least four percent (4%) of the sum of (x) his base salary for the immediately preceding year plus (y) the base bonus paid to him with respect to the immediately preceding year. In 2015, the Company achieved the predetermined EBITDA-based performance target required for the payment of Mr. Adelson's base bonus. Accordingly, Mr. Adelson received a base bonus of \$2,051,851 for his 2015 performance.

*Annual supplemental bonus.* Under his employment agreement, Mr. Adelson is eligible to receive an annual cash incentive bonus contingent on the Company's achievement of annual performance targets that are primarily EBITDA-based. The amount of Mr. Adelson's annual supplemental bonus is equal to a percentage of the sum of (x) his base salary for the year plus (y) the base bonus paid to him for the year. Mr. Adelson's annual supplemental bonus payments may range from \$0 (if the Company does not achieve 80% of the predetermined EBITDA performance target) to a defined maximum opportunity (if the Company achieves 110% of the predetermined EBITDA performance target). Mr. Adelson's annual supplemental bonus payments increase ratably if EBITDA reaches 80% to 110% of the predetermined EBITDA target. Mr. Adelson's target and maximum annual supplemental bonus opportunities as a percentage of base salary and base bonus for 2015 were 90% and 180%, respectively.

The performance targets specified under Mr. Adelson's employment agreement are primarily EBITDA-based. The EBITDA-based performance targets are established annually by the Compensation Committee following consultation with our executive officers and such other members of our management as the Compensation Committee deems appropriate. The Compensation Committee established different EBITDA-based performance targets for Mr. Adelson's 2015 base bonus and his annual supplemental bonus. The 2015 targets represent the EBITDA level that must be achieved in order for Mr. Adelson to receive 100% of his target base bonus or 90% of his target annual supplemental bonus. For 2015, the Compensation Committee established a performance target for Mr. Adelson's base bonus of \$3.80 billion of consolidated adjusted property EBITDA, which excludes corporate expense and includes the Management Incentive Program bonus accrual, and a performance target for Mr. Adelson's annual supplemental bonus of \$4.22 billion of consolidated adjusted property EBITDA, which excludes corporate expense and includes the Management Incentive Program bonus accrual. (The Management Incentive Program is the Company's bonus program whose participants include many of the Company's full-time exempt employees. For our named executive officers, the Management Incentive Program operates independent of, and provides bonuses that do not exceed, the maximum bonuses established under the Executive Cash Incentive Plan.)

In determining the 2015 annual EBITDA-based targets for Mr. Adelson's base and annual supplemental bonuses, the Compensation Committee's goal was to set an aggressive objective based on its review of the annual budget information provided by management and the Board's discussions with our executive officers and management about the assumptions underlying the 2015 budget and the Company's operating and development plans for 2015. In making its determinations, the Compensation Committee recognized the inherent difficulty of providing appropriate financial targets for Mr. Adelson, given the competitive challenges facing the Company in

the markets in which it operates and the Company's global operations and development plans. The Compensation Committee believed that the achievement of the 2015 performance targets required Mr. Adelson to perform at a high level to earn the target bonus payments.

In 2015, the Company achieved 99.9% of the predetermined EBITDA-based performance target relating to Mr. Adelson's annual supplemental bonus. Accordingly, Mr. Adelson received an annual supplemental bonus of \$2,733,184, or 89.6% of his target bonus opportunity, for his 2015 performance.

*Messrs. Goldstein, Raphaelson, Markantonis and Quartieri*

Under their employment agreements, Messrs. Goldstein, Raphaelson and Markantonis are eligible to receive discretionary bonuses under the Company's Management Incentive Program. Mr. Quartieri did not have an employment agreement and was eligible to receive a discretionary bonus under the Company's Management Incentive Program.

The Compensation Committee established a 2015 EBITDA-based financial performance target for Messrs. Goldstein, Raphaelson and Quartieri of \$4.22 billion of consolidated adjusted property EBITDA, which excludes corporate expense and includes the Management Incentive Program bonus accrual, and a 2015 EBITDA-based financial performance target for Mr. Markantonis of \$392.7 million of adjusted property EBITDA for the Las Vegas properties plus the Las Vegas properties' portion of the Management Incentive Program bonus accrual.

Under the Company's 2015 Management Incentive Program, the Company or the Las Vegas properties, as applicable, must achieve at least 80% of the pre-determined EBITDA-based performance target in order for Messrs. Goldstein, Raphaelson, Markantonis and Quartieri to be eligible to receive annual bonuses, compared to a 90% threshold under the 2014 Management Incentive Program. Their bonus payment amounts can be increased if the Company achieves up to 150% of the pre-determined EBITDA target, with a maximum bonus payout percentage of up to 125% of their respective target awards. Under the 2014 Management Incentive Program, bonus payouts could be increased if the Company achieved up to 120% of the pre-determined EBITDA target, with a maximum bonus payout percentage of up to 110% of the respective target awards. The performance thresholds and maximum bonus payout percentages were revised under the 2015 Management Incentive Program to enable the Company to attract and retain key executive talent by providing competitive compensation to the Company's named executive officers and bonus-eligible employees.

*Mr. Goldstein.* Under his employment agreement, Mr. Goldstein is eligible to receive a discretionary annual bonus based on performance criteria approved by the Compensation Committee, with a target bonus of 100% of his base salary, or \$3,250,000, subject to his achievement of performance criteria established by the Compensation Committee. The actual amount of Mr. Goldstein's bonus was determined by the Compensation Committee in its sole discretion in accordance with the Company's Management Incentive Program, after consultation with the Company's Chief Executive Officer. In January 2016, based on the Company's achievement of 99.9% of its predetermined EBITDA-based performance target, Mr. Goldstein was awarded a bonus of \$3,250,000 in respect of his 2015 performance, representing 100% of his target bonus opportunity.

*Mr. Raphaelson.* Under his 2011 Employment Agreement, Mr. Raphaelson was eligible to receive a discretionary annual bonus with a maximum for 2015 of 100% of his base salary, or \$1,500,000, based on the achievement of Company and personal performance objectives. In December 2013, Mr. Raphaelson agreed that his bonuses for the remainder of the term of his 2011 Employment Agreement would be based solely on the Company's achievement of EBITDA-based performance targets established by the Compensation Committee. Under his 2016 Employment Agreement, he will be eligible to receive a discretionary annual bonus with a maximum of his base salary, or \$1,750,000, subject to his achievement of personal performance criteria to be determined at a future date, approved by the Chief Executive Officer and established by the Compensation Committee. In January and February 2016, based on the Company's achievement of 99.9% of its predetermined EBITDA-based performance target, Mr. Raphaelson was awarded an aggregate bonus of \$1,750,000, representing 100% of his target bonus opportunity. Of this amount, \$250,000 was granted pursuant to the terms of his 2016 Employment Agreement.

*Mr. Markantonis.* Under his employment agreement, Mr. Markantonis is eligible to receive a discretionary annual bonus under the Company's Management Incentive Program, based on the achievement of Company and

personal performance objectives reasonably determined annually by the Company, with a target bonus of 75% of his base salary, or \$825,000. The actual amount of Mr. Markantonis's bonus was determined by the Compensation Committee in accordance with the Company's Management Incentive Program. In January 2016, based on the achievement of 103.2% of the predetermined EBITDA-based performance target for the Company's Las Vegas properties, Mr. Markantonis was awarded a bonus of \$666,369 in respect of his 2015 performance, representing 101.6% of his target bonus opportunity, pro-rated from the date he joined the Company.

*Mr. Quartieri.* Mr. Quartieri did not have an employment agreement. He was eligible to receive a discretionary bonus with a target of 50% of his base salary under the Company's Management Incentive Program. Pursuant to his Separation Agreement, Mr. Quartieri was entitled to receive a pro-rated bonus for 2015, when, if and to the extent bonuses were paid to like-situated executives. In January 2016, based on the Company's achievement of 99.9% of its predetermined EBITDA-based performance target, Mr. Quartieri was awarded a bonus of \$221,413 in respect of his 2015 performance, representing 100% of his pro-rated target bonus opportunity.

#### ***Long-term Incentives (Equity Awards)***

Messrs. Adelson, Goldstein, Raphaelson and Markantonis are, and Mr. Quartieri was, eligible for long-term equity incentives under the Company's 2004 Equity Award Plan, which is administered by the Compensation Committee and was created to give us a competitive edge in attracting, retaining and motivating employees and to enable us to provide incentives directly related to increases in our stockholder value. Mr. Adelson is entitled to annual equity incentive awards under his employment agreement, subject to the Company's achievement of EBITDA-based performance targets as described below. The employment agreements for Messrs. Goldstein, Raphaelson and Markantonis provided for sign-on equity incentive awards, but did not provide for subsequent or annual grants of equity incentive awards. The Compensation Committee, however, is authorized to award such grants in its sole discretion, but did not award such equity grants to Messrs. Goldstein, Raphaelson or Quartieri during 2015. On March 30, 2015, Mr. Markantonis received an award of 100,000 stock options when he joined the Company, as described below. On February 18, 2016, Mr. Raphaelson received a grant of 150,000 stock options upon signing his 2016 Employment Agreement.

*Mr. Adelson.* Mr. Adelson's annual equity incentive awards under his employment agreement are split into two equal components:

- *Nonqualified stock options.* One half of the equity incentive award value is granted in the form of stock options early in the year to which the grant relates. The number of stock options is determined based on an estimate of the grant date Black-Scholes value of the award. The stock option grant vests in four equal annual installments.
- *Performance-based restricted stock.* One half of the equity incentive award value is granted as restricted stock early in the year following the year to which the grant relates, contingent upon attaining the targeted EBITDA-based goals identified for the annual supplemental bonus in the prior year. For 2014, the Compensation Committee established a performance target of \$5.53 billion of consolidated adjusted property EBITDA, which excluded corporate expense and included the Management Incentive Program bonus accrual. The value of Mr. Adelson's restricted stock award may range from \$0 (if the Company does not achieve 80% of the predetermined EBITDA-based performance target) to 100% of the value of the restricted stock award opportunity (if the Company achieves 100% of the predetermined EBITDA-based performance target). The number of shares of restricted stock, if earned, is determined based on the fair market value of our Common Stock on the NYSE on the grant date. The restricted stock grant vests in three equal annual installments.

Under his employment agreement, Mr. Adelson is entitled to a specified aggregate target grant value of his equity incentive awards as the Company achieves higher annualized six-month EBITDA levels. Mr. Adelson is entitled to receive equity incentive awards with a total value of \$3,650,000 because the Company, prior to 2012, had achieved more than \$1 billion of annualized six-month EBITDA.

The value of Mr. Adelson's 2015 stock option award opportunity was \$1,825,000 (one half of the total equity incentive award of \$3,650,000). Accordingly, on February 4, 2015, Mr. Adelson received a grant of options to purchase 149,712 shares of our Common Stock, based on the Black-Scholes value of the stock option award on the grant date.

Mr. Adelson's target grant value for his 2015 restricted stock award (relating to his 2014 performance) was \$1,825,000 (one half of the total equity incentive award of \$3,650,000). As previously disclosed, in 2014, the Company achieved 93.5% of the performance target described above relating to the award of restricted stock. Accordingly, on February 4, 2015, Mr. Adelson was awarded a grant of 22,167 shares of restricted stock in respect of his 2014 performance.

*Mr. Raphaelson.* On February 18, 2016, Mr. Raphaelson received a grant of 150,000 stock options pursuant to his 2016 Employment Agreement.

*Mr. Markantonis.* On March 30, 2015, Mr. Markantonis received a grant of 100,000 stock options pursuant to his employment agreement.

### ***Personal Benefits***

Mr. Adelson is entitled to be reimbursed up to \$100,000 annually for personal legal and financial planning fees and expenses under his employment agreement. Mr. Adelson also is entitled during the term of his employment to the full-time and exclusive use of an automobile and a driver of his choice and to the use of a Boeing Business Jet for his travel in connection with Company business. Pursuant to his employment agreement and the advice of an independent security consultant, Mr. Adelson also is entitled to security services for himself, his wife and minor children. The Company has received reports from its independent security consultant on the need to provide security coverage to Mr. Adelson and his family, most recently in April 2015.

Under Mr. Goldstein's employment agreement, the Company will make a jet aircraft available for business and personal use and Mr. Goldstein may bring immediate family members with him on these trips. He also is entitled, at his election, to first class travel on commercial airlines for all business trips and to first class hotel accommodations. The Company also provides Mr. Goldstein with a country club membership. Mr. Goldstein reimburses the Company in full for any personal use of this membership.

The Company provides certain of its named executive officers with access to corporate memberships at country clubs for business purposes. The Company requires these executives to reimburse it in full for personal use of these facilities. The Company also permits the personal use by Messrs. Adelson, Goldstein, Raphaelson and Markantonis of Company personnel, facilities and services on a limited basis and subject to the receipt of the appropriate approvals. The Company requires that these executives reimburse it in full for these services. The Company does not permit personal use of corporate aircraft by its executive officers, except for Mr. Goldstein as described above. On certain occasions, an executive officer's spouse or other immediate family member has accompanied the executive officer on business-related flights on aircraft that we own or lease or provide pursuant to time sharing agreements.

Messrs. Adelson, Goldstein, Raphaelson, Markantonis and Quartieri (prior to his resignation) also participate in a group supplemental medical insurance program available only to certain of our senior officers. Our executive officers, as well as certain other employees, are also entitled to use workout facilities at the Canyon Ranch Spa at The Venetian Resort Hotel Casino and The Palazzo Resort Hotel Casino in Las Vegas and to receive dry cleaning services. We also provide certain of our executive officers with home computers, and with meals, lodging, limousines and other goods and services from our properties. Our executive officers are entitled to receive other employee benefits generally made available to our employees.

The Compensation Committee believes that providing these benefits to our executives is appropriate, given the status in our Company of these individuals, and helps facilitate our executives' performance of their duties.

For more information, see footnote (3) to the Summary Compensation Table under “Executive Compensation and Other Information.”

### ***Change in Control and Termination Payments***

The employment agreements with Messrs. Adelson, Goldstein, Raphaelson and Markantonis provide for payments and the continuation of benefits upon certain terminations of employment or if there is a change in control of the Company. These provisions were based on individual negotiations with these named executive officers. Mr. Goldstein's employment agreement provides that he may voluntarily terminate his employment agreement upon 30 days' notice, which may not be effective for twelve months following the change in control. Under his 2016 Employment Agreement, Mr. Raphaelson may terminate his 2016 Employment Agreement on the 12-month anniversary of a change in control, upon 90 days' notice. In addition, the employment agreements with Messrs. Adelson, Goldstein, Raphaelson and Markantonis include restrictive covenants relating to future employment. The Compensation Committee believed the post-termination payments were necessary in order to enable us to provide a competitive compensation package so that we could retain these named executive officers.

If any payment to Mr. Adelson pursuant to his employment agreement is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code (the "*Code*"), the payment that is considered a "parachute payment" will be limited to the greatest amount that can be paid under Section 280G without causing any loss of deduction to the Company but only if, by reason of such reduction, the net after-tax benefit to him (as defined in his employment agreement) exceeds the net after-tax benefit if the reduction were not made.

The Company's 2004 Equity Award Plan was established in 2004. The purpose of the plan is to provide a means through which the Company may attract able persons to enter and remain in the employ of the Company. The change in control provisions of the plan were designed in furtherance of this goal.

Further information about benefits under certain change in control and terminations of employment are described below under "Executive Compensation and Other Information — Potential Payments Upon Termination or Change in Control."

### **Tax and Accounting Considerations Relating to Executive Compensation**

#### ***Section 162(m) of the Internal Revenue Code***

The Compensation Committee's general policy is that compensation should qualify as tax deductible to the Company for federal income tax purposes whenever possible. Under Section 162(m) of the Code, compensation paid to certain members of senior management (other than our principal financial officer) in excess of \$1 million per year is not deductible unless the compensation is "performance-based" as described in the regulations under Section 162(m). Compensation is generally "performance-based" if it is determined using pre-established objective formulas and criteria approved by stockholders within the past five years. Annual bonus awards under our Executive Cash Incentive Plan (and Mr. Adelson's base and annual supplemental bonus awards) generally are designed to maximize tax deductibility by satisfying the performance-based compensation exception to Section 162(m). The maximum amount payable to a participant under the Executive Cash Incentive Plan in respect of an annual bonus award that is intended to qualify for the performance-based compensation exception to Section 162(m) is \$10.0 million. In addition, awards under the 2004 Equity Award Plan also may satisfy the performance-based compensation exception to Section 162(m). The performance-based provisions of the Executive Cash Incentive Plan relating to the Compensation Committee's discretion in selecting and applying performance criteria for purposes of granting and vesting awards intended to qualify as performance-based compensation for purposes of Section 162(m) were amended on April 22, 2013 to conform to the performance-based provisions of our 2004 Equity Award Plan. The performance-based provisions of our 2004 Equity Award Plan and Executive Cash Incentive Plan were approved by our stockholders at the 2013 annual meeting of stockholders. Changes in applicable tax laws and regulations as well as factors beyond the control of the Compensation Committee can adversely impact the deductibility of compensation paid to our executive officers who are covered by Section 162(m).

The Compensation Committee believes that mathematical formulas cannot always anticipate and fairly address every situation that might arise. The Compensation Committee therefore retains the authority to adjust compensation in the case of unexpected, unusual or non-recurring events or to attract and retain key executive talent, even if this results in the payment of non-deductible compensation or to otherwise award or pay non-deductible compensation if the Compensation Committee deems it in the best interests of the Company and its

stockholders to do so. For example, during 2015, the Compensation Committee approved Mr. Markantonis's employment agreement, which provides for an annual base salary in excess of \$1 million. During 2016, the Compensation Committee approved Mr. Raphaelson's 2016 Employment Agreement, which is retroactive to November 1, 2015 and provides for an annual base salary in excess of \$1 million and a bonus that is based upon his achievement of personal performance goals approved by the Chief Executive Officer and established by the Compensation Committee. The Compensation Committee believed these compensation decisions were necessary, appropriate and in the best interests of the Company and enabled the Company to retain the services of the core members of its executive team.

## **Executive Compensation Related Policies and Practices**

### ***Policies Regarding Stock Ownership and Hedging the Economic Risk of Stock Ownership***

The Company believes that the number of shares of the Company's Common Stock owned by each named executive officer is a personal decision and encourages stock ownership, including through the compensation policies applicable to its named executive officers. Accordingly, the Company has not adopted a policy requiring its named executive officers to hold a portion of their stock during their employment at the Company.

Under our securities trading policy, our officers, directors and employees are not permitted to purchase our Common Stock on margin, sell our Common Stock short or buy or sell puts, calls or other derivative instruments relating to our Common Stock. Although we discourage speculative hedging transactions, we do permit long-term hedging transactions that are designed to protect an individual's investment in our Common Stock provided that the hedge is for at least six months in duration and relates to stock or options held by the individual.

### ***Grant Practices for Stock Options, Restricted Stock and Restricted Stock Units***

Mr. Adelson's employment agreement provides that grants of stock options are to be made by March 15 of the year to which the grant relates. As discussed above, on February 4, 2015, the Company granted Mr. Adelson stock options for the 2015 calendar year. Grants of restricted stock to Mr. Adelson are to be made by March 15 following the year to which the award relates, provided that the performance goals for the prior year have been achieved. For the reasons described above under "— Elements of Executive Officer Compensation and Why We Chose to Pay Each Element — Long-term Incentives (Equity Awards)," on February 4, 2015, the Company granted Mr. Adelson shares of restricted stock in respect of his 2014 performance.

Grants of stock options, restricted stock and restricted stock units under our 2004 Equity Award Plan are approved by the Compensation Committee. Each member of the Compensation Committee is an independent director and an outside director within the meaning of Section 162(m). The equity grants made to Messrs. Adelson and Markantonis during 2015 and to Mr. Raphaelson in February 2016 were effective as of their respective grant dates, which were the dates of Compensation Committee approval. The exercise price of all stock options to purchase shares of our Common Stock is equal to the fair market value of our Common Stock on the grant date.

## **COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis contained in this Proxy Statement with management and, based on the review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included by reference in the Company's Annual Report on Form 10-K and this Proxy Statement.

Steven L. Gerard, Chair (as of January 29, 2015)  
Micheline Chau  
Charles A. Koppelman

*The foregoing Compensation Committee Report does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 (the "Securities Act") or the Exchange Act, except to the extent the Company specifically incorporates this report by reference therein.*

## AMENDMENT TO THE COMPANY'S EXECUTIVE CASH INCENTIVE PLAN

On April 19, 2016, the Compensation Committee approved the following amendment to the definition of "Performance Period" in the Company's Executive Cash Incentive Plan (changes in italics):

"Performance Period" means the period during which performance is measured to determine the level of attainment of a Bonus Award, which shall be the fiscal year of the Company *or such other period as may be determined by the Committee.*"

The Executive Cash Incentive Plan is a stockholder-approved performance bonus plan that is designed to comply with the "performance-based exception" to the compensation deduction limitation of Section 162(m) of the Internal Revenue Code and the regulations promulgated thereunder ("*Section 162(m)*"). As amended, the Executive Cash Incentive Plan will provide more flexibility to the Compensation Committee in structuring the annual cash bonus program for the Company's senior executives, by permitting it to use performance periods that are not necessarily tied to the Company's fiscal year. The Company intends to use a nine-month performance period for determining performance-based bonus eligibility under the Executive Cash Incentive Plan (and also under the Management Incentive Plan for its other employees) for 2016 and may use a performance period other than the Company's fiscal year in the future if the Compensation Committee determines it is in the Company's best interests to do so.

The Executive Cash Incentive Plan provides that the Compensation Committee will designate the officers and other key executives, including executive officers whose compensation may be subject to the provisions of Section 162(m) (whom we refer to as our "*Section 162(m) executive officers*"), who will be eligible for awards for the performance period during which performance is measured. Pursuant to the Executive Cash Incentive Plan, the Compensation Committee will establish for each performance period a maximum award, and, if the Compensation Committee so determines, a target and/or threshold award, and goals relating to the Company and/or its subsidiaries, divisions, departments, and/or functional performance for each participant, or "*performance goals.*" The Compensation Committee also will make these determinations with respect to our Section 162(m) executive officers. The Compensation Committee will communicate these performance goals to each participant prior to or during the applicable performance period. Participants will earn awards only upon the attainment of the applicable performance goals during the applicable performance period, as and to the extent established by the Compensation Committee. The performance goals will be based on attainment of specific levels of our performance and/or the performance of our subsidiaries, divisions or departments, as applicable and will be based on criteria set forth in the Executive Cash Incentive Plan.

As soon as practicable following the end of the applicable performance period, the Compensation Committee will certify the attainment of the performance goals and will calculate the award, if any, payable to each participant, including our Section 162(m) executive officers. Bonus awards will be paid in a lump sum cash payment as soon as practicable following the determination of the applicable amount by the Compensation Committee. The Compensation Committee retains the right to reduce any award, in its sole discretion. The maximum amount payable to a participant in respect of an annual bonus award that is intended to qualify for the "performance-based compensation" exception to Section 162(m) is \$10.0 million.

The Compensation Committee may amend, suspend or terminate the Executive Cash Incentive Plan at any time, provided that no amendment may be made without the approval of stockholders if the effect of any such amendment would be to cause outstanding or pending awards that are intended to qualify for the "performance-based compensation" exception to Section 162(m) to cease to qualify for this exception.

Other than with respect to the cash bonuses that may be earned by our executive officers pursuant to their employment agreements if certain performance criteria are met, awards under the Executive Cash Incentive Plan will be determined by the Compensation Committee in its sole discretion and it is, therefore, not possible to predict the awards that will be made in the future under the Executive Cash Incentive Plan. See "Executive Compensation and Other Information — Employment Agreements" for a description of the material terms and conditions relating to compensation in the employment agreements for our executive officers.

<sup>(1)</sup> The amounts shown in these columns for Mr. Adelson represent a range of potential incentive payment opportunities for 2015 based on certain specified annualized EBITDA assumptions under his employment agreement and our Executive Cash Incentive Plan. Threshold amounts are not included in the table because, in accordance with his employment agreement, Mr. Adelson is not entitled to receive a base bonus payment unless the Company achieves the 2015 base bonus EBITDA performance target. Mr. Adelson is not entitled to receive an annual supplemental bonus payment unless the Company achieves at least 80% of the 2015 annual supplemental bonus EBITDA performance target. Under their employment agreements or other arrangements with the Company, Messrs. Goldstein, Raphaelson and Markantonis are, and Mr. Quartieri was, eligible to receive discretionary bonuses based solely on the Company's achievement of EBITDA-based performance objectives. For 2015, Messrs. Goldstein, Raphaelson, Markantonis and Quartieri were eligible to receive discretionary bonuses of 100%, 100%, 75% and 50%, respectively, of their annual base salaries (pro-rated for the periods of employment for Mr. Markantonis and Mr. Quartieri), provided the threshold performance targets, to the extent set by the Compensation Committee, were met. See the discussion below under “— Employment Agreements,” as well as above under “Compensation Discussion and Analysis—Elements of Executive Officer Compensation and Why We Chose to Pay Each Element—Short-term Incentives” for more information regarding bonus incentive awards.

<sup>(2)</sup> Calculated based on the aggregate grant date fair value computed in accordance with accounting standards regarding share-based payments. For a discussion of the relevant assumptions used in the calculation of these amounts, see Note 14 to the consolidated financial statements for the year ended December 31, 2015 included in the Company's 2015 Annual Report on Form 10-K.

## Potential Payments Upon Termination or Change in Control

### Employment Agreements

The employment agreements for Messrs. Adelson, Goldstein, Raphaelson and Markantonis in effect on December 31, 2015 provide or provided for payments and the continuation of benefits upon certain terminations of employment and/or if there is a change in control of the Company. All payments under the executive employment agreements for Messrs. Adelson, Goldstein, Raphaelson and Markantonis in connection with a termination of employment are subject to the applicable named executive officer's agreement to release the Company from all claims relating to his employment and the termination of his employment. These named executive officers also are subject to covenants restricting their ability to compete with the Company or to hire Company employees for a specified period following termination of employment. The following summaries are qualified in all respects by the terms of the applicable employment agreements and applicable law.

#### *Mr. Adelson*

In the event of a termination of Mr. Adelson's employment for cause (as defined below) or his voluntary termination (other than for good reason (as defined below)), all of his salary and benefits will immediately cease (subject to any requirements of law).

In the event of a termination of Mr. Adelson's employment by us without cause or a voluntary termination by Mr. Adelson for good reason (as defined below) other than during the two-year period following a change in control (as defined in the Company's 2004 Equity Award Plan and below), we will be obligated to pay or provide Mr. Adelson with:

- all accrued and unpaid base salary and bonus(es) through the date of termination;
- his salary and base bonus, if applicable, for the remainder of the term of his employment agreement or, if he becomes employed elsewhere, the difference, if any, between 50% of the salary and bonus compensation earned in such other employment and the salary and base bonus, if applicable, payable under his employment agreement with us;
- a pro rata annual supplemental bonus for the year of termination of employment at the time the bonus would normally be paid;
- full vesting of all unvested options and restricted stock outstanding on the date of termination of employment; and
- continued health and welfare benefits for the remainder of the term of the employment agreement (or, if earlier, until he receives health and welfare coverage from a subsequent employer).

In the event of a termination of Mr. Adelson's employment by us without cause or a termination by Mr. Adelson for good reason within the two-year period following a change in control or Mr. Adelson's voluntary termination at any time during the one-year period following a change in control, we will be obligated to pay or provide Mr. Adelson with:

- all accrued and unpaid base salary and bonus(es) through the date of termination;
- a lump sum payment of two times his salary plus, if applicable, his target base bonus and target annual supplemental bonus for the year of termination;
- full vesting of all unvested options and restricted stock awards outstanding on the date of termination of employment;
- a pro rata target base bonus and target annual supplemental bonus for the year of termination of employment; and
- continued health and welfare benefits for two years following termination (or, if earlier, until Mr. Adelson receives health and welfare coverage from a subsequent employer).

If the change in control, however, does not satisfy the definition of a change in the ownership or effective control of a corporation or a change in the ownership of a substantial portion of the assets of a corporation, pursuant to Section 409A of the Code, then the payment of two times salary plus base bonus will be paid ratably for the remainder of the term of the employment agreement and the pro rata annual bonus for the year of termination will be paid at the same time annual bonuses would normally be paid to other executive officers of the Company.

In the case of a termination of Mr. Adelson's employment due to his death or disability (as defined in his employment agreement), Mr. Adelson (or his estate) will be entitled to receive:

- all accrued and unpaid base salary and bonus(es) through the date of termination;
- continued payments of salary and, if applicable, base bonus, less any applicable short-term disability insurance payments, for a period of 12 months following the date of termination of employment;
- accelerated vesting of options and restricted stock awards such that all such options and awards that would have vested during the 12-month period following the date of termination will become vested as of the date of termination of employment; and
- a pro rata annual supplemental bonus payable at the time the bonus would normally be paid.

In the event of a termination of Mr. Adelson's employment due to his retirement or a non-renewal termination, we will be obligated to pay or provide Mr. Adelson with:

- all accrued and unpaid base salary and bonus(es) through the date of termination;
- in the case of his retirement, a pro rata annual bonus for the year of termination of employment at the time the bonus would normally be paid; and
- continued vesting of all equity awards (including incentive awards granted under his employment agreement) in accordance with their terms so that all such awards continue to vest at the same rate as if Mr. Adelson had remained employed by the Company.

If Mr. Adelson terminates his employment on or after the last day of a fiscal year but before the actual grant date of the restricted stock award for that fiscal year, he will be granted a fully vested award for that fiscal year on the date the award would have otherwise been made (and subject to the applicable performance target being achieved) equal to the number of shares he would have been awarded multiplied by the following applicable percentage:

- 0% if the termination was for cause or a voluntary termination (other than for good reason or retirement);
- 33  $\frac{1}{3}$ % if the termination was due to death or disability; and
- 100% if the termination is by us without cause or by the executive for good reason or due to retirement.

*Definitions.* The terms "cause," "good reason" and "change in control" are defined in Mr. Adelson's employment agreement as follows:

Mr. Adelson may be terminated by the Company for "cause" if:

- he is convicted of a felony, misappropriates any material funds or material property of the Company, its subsidiaries or affiliates, commits fraud or embezzlement with respect to the Company, its subsidiaries or affiliates or commits any material act of dishonesty relating to his employment by the Company resulting in direct or indirect personal gain or enrichment at the expense of the Company, its subsidiaries or affiliates;
- he uses alcohol or drugs that render him materially unable to perform the functions of his job or carry out his duties to the Company and fails to correct his behavior following written notice;
- he materially breaches his employment agreement and fails to correct the breach following written notice;
- he commits any act or acts of serious and willful misconduct (including disclosure of confidential information) that is likely to cause a material adverse effect on the business of the Company, its subsidiaries or affiliates; or

- his gaming license is revoked or suspended by Nevada gaming authorities and he fails to correct the situation following written notice; provided, that in the event that the revocation or suspension occurs without there having been any fault on his part, the termination will be treated in the same manner as a termination due to disability instead of for “cause.”

Mr. Adelson may terminate his employment with the Company for “good reason” if:

- the Company fails to maintain him as Chairman of the Board of Directors and Chief Executive Officer, unless the Board determines that these positions must be held by someone other than Mr. Adelson due to applicable statutory, regulatory or stock exchange requirements, or if this practice is common among companies of similar size in similar industries to us, and the Board determines that this practice constitutes best practices of corporate governance;
- the Company reduces his base salary;
- subject to specified exceptions, the Company reduces his target base bonus, target annual bonus or target incentive award opportunity;
- there is a material change in his duties and responsibilities that would cause his position to have less dignity, importance or scope than intended at the time of the agreement, except for changes resulting from a transaction in which the Company becomes a subsidiary of another company, so long as his duties and responsibilities are not materially changed as they relate solely to the Company; or
- the Company materially breaches the employment agreement.

A “change in control” occurs upon:

- the acquisition by any individual, entity or group of beneficial ownership of 50% or more (on a fully diluted basis) of either the then outstanding shares of the Company’s Common Stock or the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors; provided, however, that the following acquisitions shall not constitute a change in control: (I) any acquisition by the Company or any affiliate (as defined), (II) any acquisition by any employee benefit plan sponsored or maintained by the Company or any affiliate, (III) any acquisition by Mr. Adelson or any related party (as defined) or any group of which Mr. Adelson or a related party is a member, (IV) certain reorganizations, recapitalizations, mergers, consolidations, statutory share exchanges or similar forms of corporate transaction that do not result in a change of ultimate control of more than 50% of the total voting power of the resulting entity or the change in a majority of the board of directors, or (V) in respect of an executive officer, any acquisition by the executive officer or any group of persons including the executive officer (or any entity controlled by the executive officer or any group of persons including the executive officer);
- the incumbent members of the board of directors on the date that the agreement was approved by the incumbent directors or directors elected by stockholder vote (other than directors elected as the result of an actual or threatened election contest) cease for any reason to constitute at least a majority of the board;
- the Company’s dissolution or liquidation;
- the sale, transfer or other disposition of all or substantially all of the Company’s business or assets other than any sale, transfer or disposition to Mr. Adelson or one of his related parties; or
- the consummation of certain reorganizations, recapitalizations, mergers, consolidations, statutory share exchanges or similar forms of corporate transaction unless, immediately following any such business combination, there is no change of ultimate control of more than 50% of the total voting power of the resulting entity or change in a majority of the board of directors.

***Mr. Goldstein***

Mr. Goldstein's employment agreement provides, that, in the event that his employment is terminated by the Company for cause (as defined in his employment agreement and below), then Mr. Goldstein would be entitled to receive:

- base salary through the date of termination of employment; and
- the "*Goldstein Standard Benefits*" consisting of:

In the event that Mr. Goldstein's employment is terminated by the Company without cause (and other than due to his death or disability), or Mr. Goldstein terminates his employment for good reason (as defined in his employment agreement and below), then, pursuant to his employment agreement, Mr. Goldstein would be entitled to receive, in addition to the Goldstein Standard Benefits:

- continuation of his base salary for 12 months following termination of employment (or, if shorter, the remainder of the initial term of his employment agreement).

Under Mr. Goldstein's employment agreement, he is permitted to terminate his employment with the Company upon 30 days' written notice following a change in control (as defined in his employment agreement and the description of Mr. Adelson's employment agreement above); provided that his termination of employment may not be effective until 12 months following the change in control. Under those circumstances, he would be entitled to receive:

- all accrued and unpaid base salary and previously earned bonus(es) through the date of termination;
- a lump sum payment of two (2) times his base salary;
- accelerated vesting of the grant of 375,000 shares of restricted stock granted to Mr. Goldstein on March 8, 2012 under his prior employment agreement (which grant vested in full on December 31, 2015) and the 2,250,000 stock options granted to Mr. Goldstein on December 9, 2014 under his employment agreement; and
- continued participation in the health and welfare benefit plans of the Company and employer contributions to non-qualified retirement plans and deferred compensation plans, if any, for two years following the date of termination, provided that the Company's obligation to provide these benefits shall cease under certain circumstances.

Under his employment agreement, in the event that Mr. Goldstein's employment with the Company is terminated due to his death or disability (as defined in his employment agreement and below), then Mr. Goldstein or his estate, as the case may be, would be entitled to receive, in addition to the Goldstein Standard Benefits:

- continuation of his base salary for 12 months following termination of employment (or, if shorter, the remainder of the initial term of his employment agreement), less (1) any short-term disability insurance proceeds he receives during such period in the event termination of his employment is due to his disability and (2) any life insurance proceeds Mr. Goldstein's estate receives from company-paid life insurance policies in the event of his death;
- accelerated vesting of the grant of 375,000 shares of restricted stock granted to Mr. Goldstein on March 8, 2012 under his prior employment agreement for the portion of the restricted stock award that would have vested during the 12-month period following the date of termination (which grant vested in full on December 31, 2015); and
- accelerated vesting of the grant of 2,250,000 stock options granted to Mr. Goldstein on December 9, 2014 under his employment agreement in the event of a termination of his employment in the 2019 calendar year for that portion of the stock option grant that would have vested during the 2019 calendar year.

*Definitions.* The terms “cause,” “disability” and “good reason” are defined in Mr. Goldstein’s employment agreement as follows:

Mr. Goldstein may be terminated by the Company for “cause” if:

During this transition period, Mr. Raphaelson will receive his base salary and participate in Company benefit programs, but will not receive additional pro-ration of his bonus or option vesting.

*Definitions.* The terms "cause," "disability" and "good reason" were defined in Mr. Raphaelson's 2011 Employment Agreement as follows:

Mr. Raphaelson may be terminated by the Company for "cause" if:

- he is convicted of a felony or misappropriates any material funds or material property of the Company or its parent, subsidiaries or affiliated companies;
- he commits fraud or embezzlement with respect to the Company or its parent, subsidiaries or affiliates;
- he commits any material act of dishonesty relating to his employment by the Company resulting in direct or indirect personal gain or enrichment at the expense of the Company or its parent, subsidiaries or affiliated companies;
- he uses alcohol or drugs that render him materially unable to perform the functions of his job or to carry out his duties to the Company and he fails to correct the situation following written notice;

- his gaming license is withdrawn with prejudice, denied, revoked or suspended by the Nevada gaming authorities and he fails to correct the situation following written notice.

The term "disability" is defined in Mr. Raphaelson's 2011 Employment Agreement to mean that Mr. Raphaelson shall, in the opinion of an independent physician selected by agreement between the Company and Mr. Raphaelson, become so physically or mentally incapacitated that he is unable to perform the duties of his employment for an aggregate of 180 days in any 365-day consecutive period or for a continuous period of six consecutive months.

- (i) a material breach of the 2011 Employment Agreement by the Company; (ii) a reduction in Mr. Raphaelson's base salary; or (iii) a material change in the duties and responsibilities of office that would cause Mr. Raphaelson's position to have less dignity, importance or scope than intended at the effective date of the agreement; provided, however, that "good reason" shall not be deemed to occur solely as a result of a transaction in which the Company becomes a subsidiary of another company, so long as the Mr. Raphaelson's duties and responsibilities of office are not materially changed as they relate solely to the Company; or

- Mr. Raphaelson discovers or the Company announces a “change of control,” which, for purposes of his 2011 Employment Agreement, is defined as Sheldon G. Adelson and the estate planning trusts of Sheldon G. Adelson currently identified in the most recent filing with the Securities and Exchange Commission (including any amendments, revisions, conversions, substitutions or otherwise of such trusts) control less than 50% of the voting equity of the Company; provided that a “change of control” ceases to constitute good reason unless Mr. Raphaelson gives notice to the Company that he is terminating his employment with the Company due to the “change of control” within 30 days after the first filing is made with the Securities and Exchange Commission by which the fact of such “change of control” could be determined.

The terms “cause,” “disability,” “good reason” and “notice termination” are defined in Mr. Raphaelson’s 2016 Employment Agreement as follows:

Mr. Raphaelson may be terminated by the Company for “cause” if:

- he commits a felony or misappropriates any material funds or material property of the Company, its subsidiaries or affiliates;

The term “good reason” is defined in Mr. Raphaelson’s 2016 Employment Agreement to mean the occurrence of any of the following without Mr. Raphaelson’s consent:

- a pro-rated bonus for the year of termination, to be paid at the time such bonuses are awarded in the ordinary course.

In the event that Mr. Markantonis's employment is terminated upon the expiration of the term of his employment agreement, then Mr. Markantonis would be entitled to receive, in addition to the Markantonis Standard Benefits:

- any bonus awarded for the year prior to termination but not yet paid in the year of termination.

Under his employment agreement, in the event that Mr. Markantonis's employment with the Company is terminated due to his death or disability, then Mr. Markantonis or his estate, as the case may be, would be entitled to receive, in addition to the Markantonis Standard Benefits:

- continuation of his base salary for 12 months following termination of employment if his employment was terminated before March 1, 2016, or six months base salary if his employment was terminated thereafter;
- continued participation in the Company's health and welfare benefit plans for Mr. Markantonis (in the event of his disability) and his spouse and dependents, if any, for the 12- or six-month periods described above, as applicable; and

*Definitions.* The terms "cause" and "good reason" are defined in Mr. Markantonis's employment agreement as follows:

Mr. Markantonis may be terminated by the Company for "cause" if:

- a material breach of Mr. Markantonis’s employment agreement by the Company;

- a change in control (as defined in Mr. Markantonis’s employment agreement and the description of Mr. Adelson’s employment agreement above); provided, that good reason shall not be deemed to occur solely as a result of a transaction in which the Company becomes a subsidiary of another company, assuming no change in control so long as Mr. Markantonis’s duties and responsibilities of office are not materially changed as they relate solely to the Company.

#### **2004 Equity Award Plan**

In the event of a change in control (as defined above in the definition of change in control in the employment agreements for Messrs. Adelson, Goldstein, Raphaelson and Markantonis and in the 2004 Equity Award Plan), if our Compensation Committee so determines:

- all outstanding options and equity (other than performance compensation awards) issued under the 2004 Equity Award Plan shall fully vest; and
- outstanding awards may be cancelled and the value of the awards paid to the participants in connection with a change in control.

In addition, performance compensation awards shall vest based on the level of attainment of the performance goals as determined by the Compensation Committee.

## Potential Payments/Benefits Upon Termination of Employment for 2015

The table below sets forth information about the potential payments and benefits our named executive officers who were employed by the Company on December 31, 2015 may receive under their employment agreements or other arrangements, as in effect on December 31, 2015, upon the termination of their employment with the Company. The amounts shown in the table below are estimates of the payments that each named executive officer would receive in certain instances assuming a hypothetical employment termination date of December 31, 2015. The amounts actually payable will be determined only upon the termination of employment of each named executive officer, taking into account the facts and circumstances surrounding the named executive officer's termination of employment, and are qualified in all respects by the terms of the applicable employment agreements and applicable law.

The information in the table assumes that:

- amounts included as bonus payments for 2016 performance are target amounts based on the achievement of performance goals;
- the named executive officer did not become employed by a subsequent employer; and
- equity awards vest fully upon a change in control, if provided in the applicable employment agreement.

<sup>(1)</sup> Reflects (a) the grants of restricted stock for 2015 that are earned and vest pursuant to the applicable employment agreement and (b) the value of accelerated vesting of restricted stock, based on the closing price of our Common Stock on December 31, 2015 (the last trading day of 2015) of \$43.84 per share. Of the amounts shown in the table, restricted stock with a value of \$939,316 for Mr. Adelson vested during the period from January 1, 2016 through the date of this proxy statement and, accordingly, will not be accelerated in the event of a termination of employment for this executive officer.

<sup>(2)</sup> Reflects the value of accelerated vesting of options equal to the excess of (a) the closing price of our Common Stock on December 31, 2015 (the last trading day of 2015) of \$43.84 per share over (b) the applicable exercise price of the options. The unvested options for Messrs. Adelson and Goldstein that are eligible for accelerated vesting in the event of a termination of employment under their respective employment agreements, have an exercise price that exceeds the closing price of our Common Stock on December 31, 2015; therefore the value of these options is zero.

<sup>(3)</sup> Reflects payments that would have been made under Mr. Raphaelson's 2011 Employment Agreement.

Under his 2016 Employment Agreement, Mr. Raphaelson would have been entitled to receive the following in the event of a termination of his employment on December 31, 2015:

	Cash Payments	Acceleration of Restricted Stock	Acceleration of Options	Continued Health Benefits	Total
-Without Cause/For Good Reason . . . .	\$1,750,000	\$ —	\$ —	\$10,000	\$1,760,000

***Mr. Quartieri***

Mr. Quartieri did not have an employment agreement with us and is not entitled to payments upon termination or change in control. In November 2015, Mr. Quartieri and the Company entered into his Separation Agreement in connection with his resignation. Under Mr. Quartieri's Separation Agreement, he has received or will receive:

- his pro-rated 2015 bonus, payable when (and if) such bonuses are paid;
- accrued and unpaid salary; and
- reimbursement for reasonable business expenses.

## DIRECTOR COMPENSATION

During 2015, each of our non-employee directors received an annual cash retainer of \$100,000 and an annual grant of, at each non-employee director's election, either restricted stock or restricted stock units equal in value to \$100,000. The restricted stock and restricted stock units are subject to a one-year forfeiture period and the shares may not be sold until the director retires from the Board (except to the extent necessary to cover taxes incurred as a result of the vesting of the restricted stock or restricted stock units). In 2015, Mr. Ader, Mr. Chafetz, Ms. Chau, Mr. Forman, Mr. Gerard, Mr. Jamieson, Mr. Koppelman, Mr. Leven and Mr. Levi each received 1,818 shares of restricted stock. In addition, each non-employee director receives a one-time grant of options upon becoming a non-employee director with an aggregate value of \$100,000 on the date of grant (based on the Black-Scholes option valuation model). The stock options vest in five equal installments on each of the first five anniversaries of the date of grant. In 2015, Mr. Levi received options to purchase 8,097 shares of our Common Stock upon becoming a non-employee director of our Company. The restricted stock, restricted stock units and options are granted to the directors pursuant to our 2004 Equity Award Plan.

We pay non-employee directors \$1,500 for each meeting of the Board that they attend (\$750 for telephonic meetings). We pay non-employee directors who are members of the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Compliance Committee \$1,000 for each committee meeting that they attend (\$500 for telephonic meetings). During 2015, we paid an annual retainer of \$25,000 to the chairperson of the Audit Committee and an annual retainer of \$15,000 to each member of the Audit Committee. We also paid an annual retainer of \$15,000 to the chairpersons of the Compensation Committee, the Nominating and Governance Committee and the Compliance Committee, and an annual retainer of \$5,000 to each member of these committees.

Non-employee directors may defer cash compensation payments into the Company's Non-Employee Director Deferred Compensation Plan. None of the non-employee directors has elected to defer any payments to date. Non-employee directors are also reimbursed for expenses incurred in connection with their service as directors, including travel expenses for meeting attendance.

In 2015, the Compensation Committee retained AETHOS Consulting Group for advice on compensation-related matters. AETHOS Consulting Group did not provide advice on director compensation during 2015. The Compensation Committee may, in its discretion, seek the advice of our Chief Executive Officer or any of our other executive officers, in determining or recommending the amount or form of compensation for our outside directors.

The Audit Committee of the Board currently consists of George Jamieson (Chair), Jason N. Ader and Steven L. Gerard. The Board has determined that Messrs. Jamieson, Ader and Gerard meet the current independence and experience requirements of the NYSE's listing standards. In addition, the Board has determined that each of the members of the Audit Committee is financially literate and Mr. Jamieson qualifies as the audit committee financial expert.

The Audit Committee's responsibilities are described in a written charter adopted by the Board, which the Audit Committee reviews annually. The Audit Committee is responsible for providing independent, objective oversight of the Company's financial reporting system. Among its various activities, the Audit Committee reviews:

The discussions with Deloitte & Touche LLP also included the matters required to be discussed by the standards of the Public Company Accounting Oversight Board. The Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Deloitte & Touche LLP its independence.

Our Audit Committee Charter contains our policies related to pre-approval of services provided by the independent registered public accounting firm. The Audit Committee, or one of its members if such authority is delegated by the Audit Committee, has the sole authority to review in advance, and grant any appropriate pre-approvals, of (a) all auditing services provided by the independent registered public accounting firm and (b) all non-audit services to be provided by the independent registered public accounting firm as permitted by Section 10A of the Exchange Act and, in connection therewith, to approve all fees and other terms of engagement.

The Audit Committee has adopted the following guidelines regarding the engagement of the Company’s independent registered public accounting firm to perform services for the Company. For audit services related to the audit of the consolidated financial statements of the Company, the independent registered public accounting firm will provide the Audit Committee with an engagement letter each year prior to or contemporaneously with commencement of the audit services outlining the scope of the audit services proposed to be performed during the fiscal year. If the services are agreed to by the Audit Committee, the engagement letter will be formally accepted. The Audit Committee also approves statutory audit services for our foreign subsidiaries. For tax services, the independent registered public accounting firm will provide the Audit Committee with a separate scope of the tax services proposed to be performed during the fiscal year. If the terms of the tax services are agreed to by the Audit Committee, the tax engagement letters will be formally accepted. All other non-audit services will require pre-approval from the Audit Committee on a case-by-case basis.

If the pre-approval authority is delegated to a member, the pre-approval must be presented to the Audit Committee at its next scheduled meeting.

### **Administrative Services Agreement**

Pursuant to an administrative services agreement among Las Vegas Sands, Inc. (now known as Las Vegas Sands, LLC), certain of its subsidiaries and Interface Operations, LLC, an entity that is controlled by Mr. Adelson, our Chairman and Chief Executive Officer, and his wife, Dr. Miriam Adelson, and that is otherwise unaffiliated with us ("*Interface Operations*"), the parties have agreed to share ratably in the costs of, and under certain circumstances provide to one another, shared services, including legal services, accounting services, insurance administration, benefits administration, travel services and such other services as each party may request of the other. In addition, under this administrative services agreement, the parties have agreed to share ratably the costs of any shared office space. There were no payments under this agreement for 2015.

### **Registration Rights Agreement**

Messrs. Adelson, Forman and Goldstein and certain other stockholders and employees, former employees and certain trusts that they established have entered into a registration rights agreement with us relating to the shares of Common Stock they hold. Subject to several exceptions, including our right to defer a demand registration under certain circumstances, Mr. Adelson and the trusts he established may require that we register for public resale under the Securities Act all shares of Common Stock they request be registered at any time, subject to certain conditions. Mr. Adelson and the trusts may demand registrations so long as the securities being registered in each registration statement are reasonably expected to produce aggregate proceeds of \$20 million or more. Since we became eligible to register the sale of our securities on Form S-3 under the Securities Act, Mr. Adelson and the trusts have the right to require us to register the sale of the Common Stock held by them on Form S-3, subject to offering size and other restrictions.

The other stockholders that are party to this agreement were granted piggyback registration rights on any registration for the account of Mr. Adelson or the trusts that he established, subject to cutbacks if the registration requested by the Adelson entities is in the form of a firm commitment underwritten offering and if the underwriters of the offering determine that the number of securities to be offered would jeopardize the success of the offering.

In addition, the stockholders and employees that are party to this agreement and the trusts have been granted piggyback rights on any registration for our account or the account of another stockholder, subject to cutbacks if the underwriters in an underwritten offering determine that the number of securities offered in a piggyback registration would jeopardize the success of the offering.

On November 14, 2008, the Company entered into a second amended and restated registration rights agreement with Dr. Adelson and certain other stockholders in connection with (i) Dr. Adelson's purchase of shares of the Company's 10% Series A Cumulative Perpetual Preferred Stock and warrants to purchase an aggregate of up to 87,500,175 shares of Common Stock and (ii) the conversion of convertible notes held by Dr. Adelson into 86,363,636 shares of Common Stock. Dr. Adelson was granted the same registration rights with respect to the Series A Preferred Stock, the warrants and the Common Stock issuable upon exercise of the warrants and the conversion of the convertible notes as the registration rights previously granted under the registration rights agreement described above.

In connection with a Registration Statement on Form 3-ASR filed by the Company on November 3, 2014, the parties to the second amended and restated registration rights agreement and their permitted assignees (as defined in the agreement) waived their rights to (a) receive written notice from the Company of the filing of the

registration statement and the proposed registration of the shares of our Common Stock underlying the Company's outstanding warrants and (b) register any shares of Common Stock or preferred stock in the registration statement and the shares of our Common Stock underlying the Company's outstanding warrants.

## **Transactions Relating to Aircraft**

### ***Aviation and Related Personnel***

Sands Aviation, LLC ("*Sands Aviation*"), a wholly owned subsidiary of the Company, is engaged primarily in the business of providing aviation personnel, including pilots, aircraft mechanics and flight attendants, and administrative personnel, to the Company and to Interface Operations. Sands Aviation charges a fee to each of the Company and Interface Operations for their respective use of these personnel. The fees charged by Sands Aviation are based upon its actual costs of employing or retaining these personnel, which are then allocated between the Company and Interface Operations. The method of allocating these costs varies depending upon the nature of the service provided. For example, pilot services are allocated based upon the actual time spent operating aircraft for the Company and for Interface Operations, respectively. The services of Sands Aviation's aircraft mechanics are allocated based on the number and manufacturer of aircraft serviced and administrative personnel are allocated based upon the number of aircraft maintained by the Company and Interface Operations, respectively. In addition, hangar lease costs are allocated based upon various factors, including the number and base location of aircraft maintained by the Company and Interface Operations, respectively. During 2015, Sands Aviation charged Interface Operations approximately \$18.4 million for its use of Sands Aviation's aviation and related personnel and other overhead costs.

### ***Time Sharing Agreements***

The Company and its subsidiaries use aircraft owned by companies controlled by Mr. Adelson for business purposes, including flying customers to our properties. The Company believes that its use of these aircraft provides the Company with a significant competitive advantage in attracting customers to the Company's properties and that similar aircraft with comparable amenities are not generally available for charter. The Company believes that the amounts paid to companies controlled by Mr. Adelson for the use of the aircraft are less than the Company would be required to pay to a third party provider, if comparable aircraft were available, and also believes that the amounts paid pursuant to the agreements relating to the use of the aircraft described below do not provide for profits or a return on investment to the companies controlled by Mr. Adelson.

The Company has entered into several aircraft time sharing agreements and aircraft cost sharing agreements with Interface Operations. Under the agreements, the party using an aircraft pays fees of up to (i) twice the cost of the fuel, oil and other additives used, (ii) all fees, including fees for landing, parking, hangar, tie-down, handling, customs, use of airways and permission for overflight, (iii) all expenses for catering and in-flight entertainment materials, (iv) all expenses for flight planning and weather contract services, (v) all travel expenses for pilots, flight attendants and other flight support personnel, including food, lodging and ground transportation, and (vi) all communications charges, including in-flight telephone. The agreements and the amounts paid under each agreement are as follows:

- an aircraft cost sharing agreement providing for Interface Operations' use on a time sharing basis of two Boeing 737 aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$37,000 in respect of Interface Operations' 2015 use of Company aircraft;
- an aircraft time sharing agreement providing for Interface Operations' use on a time sharing basis of four Gulfstream G-IV aircraft and one Gulfstream G-V aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$0.2 million in respect of Interface Operations' 2015 use of Company aircraft;
- an aircraft time sharing agreement providing for Interface Operations' use on a time sharing basis of a Hawker 800XP aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$0.2 million in respect of Interface Operations' 2015 use of Company aircraft;

- an aircraft time sharing agreement providing for Interface Operations' use on a time sharing basis of a Gulfstream G-IV aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$0.1 million in respect of Interface Operations' 2015 use of Company aircraft;
- an aircraft time sharing agreement providing for Interface Operations' use on a time sharing basis of a Boeing Business Jet owned by the Company. Interface Operations did not use the Boeing Business Jet during 2015;
- an aircraft cost sharing agreement providing for Interface Operations' use on a time sharing basis of a Boeing 747 aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$0.9 million in respect of Interface Operations' 2015 use of Company aircraft;
- an aircraft time sharing agreement providing for the Company's use on a time sharing basis of a Boeing Business Jet, a Gulfstream G-III aircraft and three Gulfstream G-IV aircraft owned by Interface Operations pursuant to which Interface Operations charged the Company approximately \$2.3 million in respect of the Company's 2015 use of Interface Operations' aircraft; and
- an aircraft cost sharing agreement providing for the Company's use on a time sharing basis of a Boeing 767 aircraft owned by Interface Operations pursuant to which Interface Operations charged the Company approximately \$0.5 million in respect of the Company's 2015 use of Interface Operations' aircraft.

In addition, the Company has entered into an aircraft cost allocation agreement with Interface Operations Bermuda, LTD ("*Interface Bermuda*"), a company controlled by Mr. Adelson. Under the terms of this agreement, the Company was entitled to the use, on a time sharing basis, of a Boeing 747 aircraft provided by Interface Bermuda. Under the agreement, the Company has agreed to pay Interface Bermuda fees of up to (i) a pro rata share of all fixed costs, such as hangar, insurance, pilot salaries and training, maintenance, subscription services, support personnel and other similar items (exclusive of tax depreciation), (ii) actual costs of fuel, oil and other additives used, (iii) all fees, including fees for landing, parking, hangar, tie-down, handling, customs, use of airways and permission for overflight, (iv) all expenses for catering and in-flight entertainment materials, (v) all expenses for flight planning and weather contract services, (vi) all travel expenses for pilots, flight attendants and other flight support personnel, including food, lodging and ground transportation, and (vii) all communications charges, including in-flight telephone. Interface Bermuda charged the Company approximately \$0.6 million in respect of the Company's 2015 use of Interface Bermuda's aircraft.

The Company also has entered into an aircraft time sharing agreement with Mr. Goldstein related to his use of two Gulfstream IV aircraft and a Hawker 800XP aircraft. Under the agreement, Mr. Goldstein pays fees of up to (i) twice the cost of the fuel, oil and other additives used, (ii) all fees, including fees for landing, parking, hangar, tie-down, handling, customs, use of airways and permission for overflight, (iii) all expenses for catering and in-flight entertainment materials, (iv) all expenses for flight planning and weather contract services, (v) all travel expenses for pilots, flight attendants and other flight support personnel, including food, lodging and ground transportation, and (vi) all communications charges, including in-flight telephone. The Company charged Mr. Goldstein \$6,606 in respect of his 2015 use of the aircraft.

#### **Other Transactions with Mr. Adelson and His Family**

We have employed Dr. Miriam Adelson, the wife of Mr. Adelson, our Chairman and Chief Executive Officer, as the Director of Community Involvement since August 1990 where, in conjunction with our Government Relations Department, she oversees and facilitates our partnerships with key community groups and other charitable organizations. We paid her approximately \$50,000 during 2015.

During 2015, we employed Patrick Dumont, Mr. Adelson's son-in-law, as the Company's Senior Vice President, Corporate Finance and Strategy. Mr. Dumont was paid approximately \$1.0 million for work performed during 2015.

Mr. Adelson and his family purchased certain services from the Company including lodging, banquet services and the use of Company personnel for approximately \$2.1 million during 2015.

During 2015, the Company made payments of \$2.3 million for food and beverage services provided by restaurants in which Mr. Adelson and his family have an ownership interest.

### **Property and Casualty Insurance**

With the exception of aviation-related coverages, the Company and entities controlled by Mr. Adelson which are not subsidiaries of the Company (the “*Stockholder Controlled Entities*”) purchase property and casualty insurance separately. The Company and the Stockholder Controlled Entities bid for and purchase aviation-related coverages together. The Company and the Stockholder Controlled Entities are separately invoiced for, and pay for, aviation related insurance and allocate the aviation insurance costs not related to particular aircraft among themselves in accordance with the other allocations of aviation costs discussed above.

### PROPOSAL NO. 3

#### AN ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and pursuant to Section 14A of the Securities Act, our stockholders are being provided with an advisory (non-binding) vote on executive compensation. Although the vote is advisory and is not binding on the Board of Directors, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions. We refer to this non-binding advisory vote as the “say-on-pay” vote.

The say-on-pay vote is required to be offered to our stockholders at least once every three years. In 2011, our stockholders recommended that we provide them with the opportunity to provide their “say-on-pay” vote each year, and our Board of Directors has accepted that recommendation.

The Board of Directors is committed to corporate governance best practices and recognizes the significant interest of stockholders in executive compensation matters. As discussed in the Compensation Discussion and Analysis, the Compensation Committee believes that our current executive compensation program directly links executive compensation to our performance and aligns the interests of our executive officers with those of our stockholders. In addition, our compensation philosophy places more emphasis on variable elements of compensation (such as annual cash bonuses and equity-based compensation) than fixed remuneration. For example, a significant portion of our executive compensation is based on the Company’s achievement of predetermined performance-based financial targets. Our executives also receive equity incentive awards to better link their compensation to the Company’s performance.

We encourage you to read our Compensation Discussion and Analysis contained in this proxy statement for a more detailed discussion of our compensation policies and procedures.

Our stockholders have the opportunity to vote for, against or abstain from voting on the following resolution:

**“Resolved, that the stockholders approve the compensation of the named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure shall include the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this proxy statement).”**

The above-referenced disclosures appear at pages 21 - 50 of this proxy statement.

**The Board of Directors recommends a vote “FOR” approval of the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure shall include the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this proxy statement).**

## **TIMEFRAME FOR STOCKHOLDER PROPOSALS FOR THE NEXT ANNUAL MEETING**

Stockholders intending to present a proposal at the 2017 annual meeting of stockholders for inclusion in our proxy statement for that meeting pursuant to Rule 14a-8 of the Exchange Act must submit the proposal in writing to Las Vegas Sands Corp., Attention: Corporate Secretary, 3355 Las Vegas Boulevard South, Las Vegas, Nevada 89109. Such proposals must comply with the requirements of Rule 14a-8 of the Exchange Act and must be received by the Company no later than December 23, 2016.

In addition, our by-laws provide notice procedures for stockholders to nominate a person as a director and to propose business to be considered by stockholders at a meeting when such matter is not submitted for inclusion in the Company's proxy statement pursuant to Rule 14a-8 of the Exchange Act. Generally, notice of a nomination or proposal not submitted pursuant to Rule 14a-8 must be delivered to us not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting. Accordingly, for our 2017 annual meeting of stockholders, notice of a nomination or proposal must be delivered to us no earlier than February 3, 2017 and no later than March 5, 2017. (If the date of the annual meeting, however, is more than 30 days before or more than 70 days after such anniversary date, notice must be delivered to us not earlier than the close of business on the 120th day prior to such annual meeting date and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.) Nominations and proposals also must satisfy other requirements set forth in the by-laws. If a stockholder complies with the forgoing notice provisions and with certain additional procedural requirements in the our by-laws and SEC rules, the Company will have authority to vote shares under proxies we solicit when and if the nomination or proposal is raised at the Annual Meeting.

We may refuse to acknowledge any stockholder proposal not made in compliance with the foregoing procedures.

## **OTHER INFORMATION**

The Company will bear all costs in connection with the solicitation of proxies. The Company intends to reimburse brokerage houses, custodians, nominees and others for their out-of-pocket expenses and reasonable clerical expenses related thereto. Officers, directors and regular employees of the Company and its subsidiaries may request the return of proxies by telephone, telegraph or in person, for which no additional compensation will be paid to them.
