Freshii's consumer-packaged goods (CPG) and nutritional supplements offerings further increase the touchpoints that Freshii has with its customers, as does the company's recently announced acquisition of majority control of fast-growing health and wellness ecommerce retailer, Natura Market, expected to close early in Q4.

Since it was founded in 2005, Freshii has opened 384 restaurants in 14 countries around the world, expanded its CPG lineup across hundreds of major retailer points of distribution and now offers nutritional supplement products directly to consumers via its online retail site. Adding Natura Market to the company's business lines will further extend Freshii's omnichannel reach. With Freshii's expanding distribution and product sets, Freshii guests can energize with Freshii's products anywhere from cosmopolitan cities and fitness clubs to sports arenas and airplanes, as well as in major retail outlets and, now more than ever, directly from home.
