NEWS RELEASE

Jay Rajarathinam to Join TMX Group as Chief Information Officer

7/18/2016

July 18, 2016 (TORONTO) – TMX Group Limited today announced the appointment of Jay Rajarathinam as Chief Information Officer, effective immediately.

Mr. Rajarathinam, reporting to Jean Desgagné, President and CEO, Global Enterprise Services, is responsible for the development and execution of the overall technology vision and strategy for TMX Group. In addition, Mr. Rajarathinam's areas of focus includes managing IT client delivery, optimizing the company's technology assets, and leading TMX Group's ongoing technology operations and integration initiatives.

"We are very proud to welcome Jay Rajarathinam as the new leader of TMX Group's technology team," said Mr. Desgagné. "Jay brings both deep exchange technology expertise and direct industry experience to the role, and I look forward to collaborating with him to determine the next key steps as we continue to transform our company into a technology provider that puts clients first."

Mr. Rajarathinam has almost 20 years of financial services technology experience, managing global teams across a wide range of infrastructure and application domains, including high performance computing, trading systems and other networks. Most recently, he served as Senior VP, Global Head of Infrastructure, NYSE/Intercontinental Exchange. In this role, Mr. Rajarathinam managed technology teams that supported 14 exchanges and 5 clearing houses globally. Prior to that, he held senior positions at Barclays and Wells Fargo. He holds a MS in Computer

Science from the University of Illinois and an MBA, Finance and Strategy from the University of Chicago.
