Toronto Stock Exchange Introduces the TSX30

9/26/2019

Canada's premier equities marketplace launches new program to showcase top performing companies, TSX to host market open ceremony September 27

September 26, 2019 (TORONTO) - Toronto Stock Exchange (TSX) today announced the inaugural TSX30, a flagship program recognizing the 30 top-performing TSX stocks over a three-year period based on dividend-adjusted share price appreciation. The list of 2019 winners features both newer and established listed companies across a wide range of sectors and serves to highlight the power and diversity of investment opportunities in Canada's world class marketplace.

Representatives from the winning companies will join TMX executives to open the market on Friday, September 27, 2019 at 9:30 a.m. ET to celebrate this milestone.

"We are extremely proud to present the TSX30, a new recognition program featuring some of the most compelling success stories among our listed issuers, including companies operating in traditional areas of strength like natural resources and also in newly defined sectors like clean tech and cannabis," said Loui Anastasopoulos, President, Capital Formation, TMX Group. "TSX listed companies play a vital role in Canada's capital markets and as we continue to evolve into a global leader, TSX remains committed to our work in support of this crucial ecosystem. Today, we congratulate the companies included in the inaugural TSX30 for all of their achievements and look forward to continuing to serve them along each stage of their growth path into the future."
