9/15/2020

Canada's premier equities market to celebrate top-performing companies today in a virtual market open ceremony

September 15, 2020 (TORONTO) - Toronto Stock Exchange (TSX) today announced the 2020 TSX30™, a flagship program that showcases TSX's 30 top-performing stocks that represent sustained excellence over the long term. Founded in 2019, the TSX30 ranks stocks based on dividend-adjusted share price appreciation over a three-year period. The mining and technology sectors are well represented on the list of 2020 winners, including some of the largest growth stories in the ranking.

Representatives from the winning companies will join John McKenzie, CEO, TMX Group, to virtually open the market this morning at 9:30 a.m. ET to celebrate this achievement.

"We are especially proud to present the 2020 TSX30, an important means of showcasing some exciting issuer success stories across our market," said Loui Anastasopoulos, President, Capital Formation, TMX Group. "In a year fraught with challenges for so many businesses, the crucial role publicly listed companies play in the Canadian economy is even more amplified. These companies serve as engines of growth; creating jobs, generating returns and creating value for investors. On behalf of all of us at TSX, I'd like to congratulate the 2020 TSX30 winners for their achievements and we look forward to serving their evolving needs through each stage of their future growth."
