

NEWS RELEASE

Sensata Technologies Announces the Appointment of John Absmeier to the Board of Directors & Promotion of Jeff Cote to President

2019-01-24

SWINDON, United Kingdom, Jan. 24, 2019 (GLOBE NEWSWIRE) -- Sensata Technologies (NYSE:ST), an industrial technology company and a leading provider of sensors, today announced that John Absmeier, Chief Technology Officer of Lear Corporation, has been appointed to serve as a director on Sensata's Board of Directors and to serve on the Growth & Innovation Committee of the Board, each effective March 1, 2019.

As Chief Technology Officer of Lear Corporation, Mr. Absmeier leads all aspects of Lear's technology and innovation efforts, reporting to the company's President and Chief Executive Officer. Mr. Absmeier has more than 20 years of automotive technology, engineering and business experience. Prior to joining Lear, he was responsible for the ADAS/Autonomous business unit as Senior Vice President and General Manager at Harman International, and the Vice President of Smart Machines at Samsung Electronics where he led the acquisition of Harman by Samsung. He joined Samsung in 2015 from Delphi where he had a 19-year career, including founder and Managing Director of Delphi Labs @ Silicon Valley and Autonomous Driving as well as being the Business Director for Electronic Controls and Electrification in Asia-Pacific for six years. He also held several roles of increasing responsibility at Delphi in the areas of Hybrid and Electric vehicles, Fuel Cells and Telematics.

Sensata today also announced the promotion of Jeff Cote to President effective immediately. In his new role as President and Chief Operating Officer, he will have responsibility for both business segments, Performance Sensing and Sensing Solutions, as well as global operations. He has more than 25 years of leadership experience, including more than 11 years with Sensata. Mr. Cote will continue to report to Sensata's Chief Executive Officer, Martha Sullivan.

Mr. Cote has served as Sensata's Chief Operating Officer since July 2012. In November 2015, in addition to his role as Chief Operating Officer, he was named Executive Vice President, Sensing Solutions. He served as Executive Vice President and Chief Administrative Officer from January 2011 through July 2012, and previously served as Executive Vice President and Chief Financial Officer from 2007 through the Company's initial public offering in 2010.
