

NEWS RELEASE

Sensata Technologies Appoints Andrew Lynch as Executive Vice President and Chief Financial Officer

2025-07-21

SWINDON, United Kingdom--(BUSINESS WIRE)-- Sensata Technologies (NYSE: ST), a global industrial technology company and leading provider of sensors, sensor-rich solutions and electrical protection devices used in mission-critical systems to help its customers address increasingly complex engineering and operating performance requirements, today announced that Andrew Lynch has been named as Sensata's Chief Financial Officer, effective immediately. Mr. Lynch assumes leadership and oversight of Sensata's global financial activities.

Stephan Von Schuckmann, CEO stated, "Having originally joined Sensata in 2009, Andrew has a solid track record of successive promotions and significant contributions to the company and is perfectly suited for his new role as our Chief Financial Officer. In addition to his depth of experience, Andrew brings financial acumen, strategic insight, and focus. The Board and I are confident that Andrew will be a key contributor to our efforts to continuously improve financial results and build shareholder value over the long term."

Andrew Lynch, CFO said, "I want to thank Stephan and the Board for this opportunity. I am excited to take on this new responsibility and I look forward to continuing to work with our leadership, customers, suppliers, and investors with whom I have built strong relationships over the years. We have significant value creation opportunities available to us, and with the right focus and rigor, I am confident that we can successfully capitalize on those opportunities."

About Andrew Lynch

Mr. Lynch most recently served as Interim CFO. He previously served as Vice President, Finance for the Performance Sensing Segment since 2023 and has led Sensata's investor relations function since 2024. Previously, he was Vice President, Finance, for the Sensing Solutions Segment from 2021 to 2023. From 2019 to 2023 he served

as regional CFO for Europe, where he was responsible for all finance and accounting matters across the region. In 2016 he was promoted to Finance Director for the HVOR business and later assumed additional responsibility for the Aerospace business. In 2011, he was promoted to Corporate Accounting Manager and in 2014 promoted to Integration Controller. He joined Sensata in 2009.

Andrew holds a Bachelor of Science degree in Corporate Finance and Accounting from Bentley University.

Safe Harbor Statement

This news release includes "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements may be identified by terminology such as "may," "will," "could," "should," "expect," "anticipate," "believe," "estimate," "predict," "project," "forecast," "continue," "intend," "plan," "potential," "opportunity," "guidance," and similar terms or phrases. Forward-looking statements involve, among other things, expectations, projections, and assumptions about future financial and operating results, objectives, business and market outlook, megatrends, priorities, growth, shareholder value, capital expenditures, cash flows, demand for products and services, share repurchases, and Sensata's strategic initiatives, including those relating to acquisitions and dispositions and the impact of such transactions on our strategic and operational plans and financial results. These statements are subject to risks, uncertainties, and other important factors relating to our operations and business environment, and we can give no assurances that these forward-looking statements will prove to be correct.

A wide variety of potential risks, uncertainties, and other factors could materially affect our ability to achieve the results either expressed or implied by these forward-looking statements, including, but not limited to, risks related to public health crises, instability and changes in the global markets, supplier interruption or non-performance, the acquisition or disposition of businesses, adverse conditions or competition in the industries upon which we are dependent, intellectual property, product liability, warranty, and recall claims, market acceptance of new product introductions and product innovations, labor disruptions or increased labor costs, and changes in existing environmental or safety laws, regulations, and programs.

Investors and others should carefully consider the foregoing factors and other uncertainties, risks, and potential events including, but not limited to, those described in Item 1A: Risk Factors in our most recent Annual Report on Form 10-K and as may be updated from time to time in Item 1A: Risk Factors in our quarterly reports on Form 10-Q or other subsequent filings with the United States Securities and Exchange Commission. All such forward-looking statements speak only as of the date they are made, and we do not undertake any obligation to update these statements other than as required by law.
