The Sensata Technologies Foundation awarded over $250,000 to community organizations in the 2018-2019 cycle

ATTLEBORO, Mass., Jan. 14, 2019 (GLOBE NEWSWIRE) -- The Sensata Technologies Foundation, launched in November 2017, announced its first annual grant award recipients for funding year 2019. Community organizations in Attleboro, MA; Minneapolis, MN and Ventura, CA were among the twenty recipients. Award criteria was based on alignment with employee feedback including level of impact; STEM and Community priorities; population served and applicant's demonstrable track record of success.

The more than $250,000 provides support for STEM learning, programs for children, domestic issues, literacy and special needs. Funds will be distributed throughout 2019. For a complete list of grant winners, please visit our website at **www.sensatafoundation.org**.

The Foundation also announced that the grant application for the 2019-2020 grant cycle is now available on the **Sensata Foundation website** and will close on Friday, June 28, 2019. The Sensata Foundation's Annual Grants are 12-month grants for new or existing projects related to one or more of the Foundation's priorities of STEM and Community. Unrestricted general operations are not eligible for funding in this grant cycle. The Foundation looks forward to another successful grant cycle, and hopes that many qualifying organizations will seek funding.
