

# Safe Harbor / Forward Looking Statements

This presentation, meeting, website, and similar communication, including through social media outlets, may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are based on our management's beliefs and assumptions and on information currently available to management, and which statements involve substantial risk and uncertainties. All statements other than statements of historical fact, including statements regarding our future operating results and financial position, our business strategy and plans, our market growth and trends, our product strategy and anticipated future products and capabilities, our objectives for future operations, and the impact of such assumptions on our financial condition and results of operations are forward-looking statements. Forward-looking statements generally relate to future events or our future financial or operating performance. In some cases, you can identify forward-looking statements because they contain words such as "may," "will," "should," "expects," "plans," "anticipates," "could," "intends," "target," "projects," "contemplates," "believes," "estimates," "predicts," "potential," or "continue" or the negative of these words or other similar terms or expressions that concern our expectations, strategy, plans or intentions.

Forward-looking statements include, but are not limited to, statements about: our expectations regarding global macro-economic conditions, including the effects of inflation, volatile interest rates or foreign exchange rates, and market volatility on the global economy; our inability to accurately estimate our market opportunity; our ability to compete effectively in an evolving and competitive market; the impact of any interruptions or delays in performance of our technical infrastructure, or data breaches, cyberattacks or other fraudulent or malicious activity attempting to exploit our technology systems, platform or brand name; our ability to effectively sustain and manage our growth and future expenses and maintain or increase profitability; our ability to attract new customers and retain and expand our existing customer base, including our ability to attract large organizations as users; our ability to scale and update our platform to respond to customers' needs and rapid technological change, including our ability to successfully incorporate artificial intelligence ("AI") into our existing and future products and to successfully deploy them; our ability to successfully develop, launch and sell Intelligent Agreement Management ("IAM") solutions; our ability to expand use cases within existing customers and vertical solutions; our ability to expand our operations and increase adoption of our platform internationally; our ability to strengthen and foster our relationships with developers; our ability to retain our direct sales force, customer success team and strategic partnerships around the world; our ability to identify targets for and execute potential acquisitions and to successfully integrate and realize the anticipated benefits of such acquisitions; our ability to maintain, protect and enhance our brand; the sufficiency of our cash, cash equivalents and capital resources to satisfy our liquidity needs; limitations on us due to obligations we have under our credit facility; our ability to realize the anticipated benefits of our stock repurchase program; our failure or the failure of our software to comply with applicable industry standards, laws and regulations; our ability to maintain, protect and enhance our intellectual property; our ability to successfully defend litigation against us; our ability to maintain our corporate culture; our ability to offer high-quality customer support; our ability to hire, retain and motivate qualified personnel, including executive level management; our ability to successfully manage and integrate executive management transitions; uncertainties regarding the impact of general economic and market conditions, including as a result of geopolitical conflict or changes in trade policies and practices; and our ability to maintain proper and effective internal controls.

Additional risks and uncertainties that could affect our financial results are included in the sections titled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our annual report on Form 10-K for the fiscal year ended January 31, 2026, filed on March 18, 2026, our quarterly report on Form 10-Q for the quarter ended April 30, 2026, filed on June 5, 2026 with the Securities and Exchange Commission (the "SEC"), and other filings that we make from time to time with the SEC. Forward-looking statements relate only to events as of the date on which such statements are made. We undertake no obligation to update any forward-looking statements after the date they were made or to conform such statements to actual results or revised expectations, except as required by law.
