## **CACI Awarded \$38 Million Prime Contract to Provide Weapon Systems Support to Naval Surface Warfare Center**

### ***Performing Test and Evaluation Services to Ensure Readiness***

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE:CACI](#)) announced today it was awarded a \$38 million contract to provide test, evaluation, and information assurance services to the Naval Surface Warfare Center (NSWC) Dahlgren Division in Dahlgren, Virginia. This five-year (one base year plus two option years and two award term years) contract represents new business for CACI, growing the company's presence in its C4ISR (Command, Control, Communications, Computers, Intelligence, Surveillance, and Reconnaissance) market area.

NSWC Dahlgren, a premier research and development center, serves as a specialty site for weapon systems integration. Under this contract, CACI will perform test, evaluation, and information assurance services to support the Strategic and Weapon Control Systems (K) Department in ensuring that strategic and tactical weapon and fire control missile systems are fully operational and certified to Navy-required standards before they are deployed.

With more than 20 years of experience supporting NSWC Dahlgren, CACI's subject matter experts have in-depth knowledge of the customer's mission and the complex warfighting systems managed by the K Department. This history of support includes a long-term contract providing technical and engineering services to the Department's Submarine Launched Ballistic Missile program.

[John Mengucci](#), CACI's Chief Operating Officer and President of U.S. Operations, said, "CACI brings a unique enterprise-level approach to supporting the test and evaluation requirements of the Naval Surface Warfare Center in Dahlgren. Through collaboration and standardization of processes and procedures across all weapons systems, we will provide the Navy with time and cost savings as well as the versatility to meet surge efforts."

According to CACI President and Chief Executive Officer [Ken Asbury](#), "CACI's latest award with the U.S. Naval Surface Warfare Center continues our record of support for this valued customer. We are focused on delivering best-value solutions and services to ensure readiness of the essential systems the Navy relies on to combat global threats whenever and wherever their presence is needed."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A *Fortune* magazine World's Most Admired Company in the IT Services industry, CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI provides dynamic careers for over 16,300 employees in 120 offices worldwide. Visit [www.caci.com](http://www.caci.com).
