## CACI to Showcase Solutions for Information Dominance at 2015 Sea-Air-Space Exposition

### ***Cybersecurity and ISR Capabilities Include Multi-INT Visualization and Mobile Apps***

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE:CACI](http://NYSE:CACI)) will demonstrate Intelligence, Surveillance, and Reconnaissance (ISR) and cybersecurity solutions for assuring information dominance at the [Sea-Air-Space Exposition](#) on April 13-15, 2015 at the Gaylord Convention Center in National Harbor, Md. The largest maritime exposition in the nation, this annual event is hosted by the Navy League of the United States and brings together the U.S. defense industrial base, private-sector U.S. companies, and key military decision makers.

In keeping with this year's conference theme, "50 Years of Maritime Excellence and Innovation," CACI will showcase ISR and cybersecurity solutions that enhance and advance effective capabilities for America's Navy, Marine Corps, and Coast Guard. These include mobile technologies to enable secure communications; unique multi-INT visualization tools to detect deviations from normal patterns-of-life; tools and specialists for Information Assurance Certification and Accreditation; and management solutions to improve the enterprise. Visit CACI at Booth 1124 to view these demonstrations and more.
