CACI Awarded \$63.5 Million Contract From Naval Air Warfare Center Aircraft Division to Support Advanced Communications

Work Continues on New Solutions to Rapidly Deliver Tactical Information

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) announced today that it has been awarded a \$63.5 million bridge contract by the Naval Air Warfare Center Aircraft Division (NAWCAD) to continue its support for NAWCAD's Special Communications Mission Solutions (SCMS) Division. The 20-month contract represents continuing work for CACI in its [Communications](#) and [Command and Control](#) market areas.

NAWCAD SCMS supports research and development, engineering, test and evaluation of all U.S. Navy and Marine Corps air vehicle systems and trainers. NAWCAD SCMS products and services include fixed, transportable and mobile systems for platforms such as shipboard, aircraft/airborne and weapon systems, to be placed on small crafts, boats, shelters, or vehicles.

Under the terms of the award, CACI will support SCMS efforts that include quick-reaction capabilities in the subset of command, control, computers, communications, intelligence (C4I) electronic systems and interoperability. CACI will be involved throughout all stages of development. Starting with design, prototyping, fabrication, and installation, CACI will continue contributing expertise through certification, testing, and maintenance.

[John Mengucci](#), CACI's Chief Operating Officer and President of U.S. Operations, said, "By rapidly producing prototypes of critical electronics and equipment, CACI continues to assist the Naval Air Warfare Center Aircraft Division in enhancing the accuracy of their development and zeroing in on the functionality required to support their mission."

According to CACI President and Chief Executive Officer [Ken Asbury](#), "This work for the Naval Air Warfare Center Aircraft Division continues CACI's legacy of support in developing new technology to quickly and securely deliver vital information that safeguards our troops and gives them a decisive edge. We're proud to further strengthen our position as a prime provider of communications support to the Department of Defense."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A Fortune magazine World's Most Admired Company in the IT Services industry, CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI provides dynamic careers for over 16,700 employees in 120 offices worldwide. Visit www.caci.com.

There are statements made herein which do not address historical facts, and therefore could be interpreted to be forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such statements are subject to factors that could cause actual results to differ materially from anticipated results. The factors that could cause actual results to differ materially from those anticipated include, but are not limited to, the risk factors set forth in CACI's Annual Report on Form 10-K for the fiscal year ended June 30, 2015, and other such filings that CACI makes with the Securities and Exchange Commission from time to time. Any forward-looking statements should not be unduly relied upon and only speak as of the date hereof.
