## CACI Awarded Multi-Million Dollar Task Order to Provide Rapid Systems Development for U.S. Army

### *Quick Reaction Prototyping to Enhance Information Superiority*

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) announced today it has been awarded a multi-million dollar task order to continue its support for the fabrication, integration, and fielding facility (FIFF) requirements of the U.S. Army Intelligence and Information Warfare Directorate (I2WD). This multi-year task order, awarded under the Rapid Response-Third Generation contract vehicle, represents continuing work for CACI in its [Intelligence Systems and Support](#) market area.

I2WD is the Army's center for research and development of advanced cyber operations, electronic warfare, signals intelligence technologies, radar, and intelligence analysis, exploitation, and dissemination capabilities.

John Mengucci, CACI's Chief Operating Officer and President of U.S. Operations, said, "CACI offers rapid development and prototyping solutions for quickly satisfying the U.S. Army's urgent operational requirements for information superiority."

According to CACI President and Chief Executive Officer Ken Asbury, "CACI will leverage our deep understanding of mission requirements to help the U.S. Army keep soldiers on the front lines informed, connected, and mission capable."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A *Fortune* magazine World's Most Admired Company in the IT Services industry, CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI provides dynamic careers for over 16,300 employees in 120 offices worldwide. Visit [www.caci.com](http://www.caci.com).

*There are statements made herein which do not address historical facts, and therefore could be interpreted to be forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such statements are subject to factors that could cause actual results to differ materially from anticipated results. The factors that could cause actual results to differ materially from those anticipated include, but are not limited to, the risk factors set forth in CACI's Annual Report on Form 10-K for the fiscal year ended June 30, 2015, and other such filings that CACI makes with the Securities and Exchange Commission from time to time. Any forward-looking statements should not be unduly relied upon and only speak as of the date hereof.*
