CACI Awarded Prime Position on \$6 Billion Multiple-Award Contract With the Defense Intelligence Agency

Company to Continue to Employ Diverse Technologies and Expertise to Streamline Intelligence IT Systems

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) announced today that it has been awarded prime position on a multiple-award, indefinite delivery/indefinite quantity contract with a \$6 billion ceiling value to continue providing enterprise information technology support for the Defense Intelligence Agency (DIA) on the Enhanced Solutions for the Information Technology Enterprise (E-SITE) contract vehicle. The five-year contract positions CACI for continued growth in its [Enterprise IT](#), [Cyber Security](#), and [Intelligence Systems and Support](#) market areas.

DIA provides military intelligence to warfighters and policymakers in the Intelligence Community and the Department of Defense in support of U.S. military planning, intelligence operations, and weapon systems acquisition. Under the contract, CACI will provide a wide range of IT solutions and services in the areas of enterprise activities, customer outreach and field support, mission and business applications, enterprise computing and storage, networks and communications, cyber security, and other support services.

[John Mengucci](#), CACI's Chief Operating Officer and President of U.S. Operations, said, "CACI will continue to leverage the diversity of our technologies and expertise to help streamline defense and intelligence IT systems."

According to CACI President and Chief Executive Officer [Ken Asbury](#), "With this contract, CACI continues its significant track record of supporting the Defense Intelligence Agency, and helps ensure the effectiveness of intelligence our troops require to succeed in their important missions."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A *Fortune* magazine World's Most Admired Company in the IT Services industry, CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI provides dynamic careers for over 16,300 employees in 120 offices worldwide. Visit www.caci.com.

There are statements made herein which do not address historical facts, and therefore could be interpreted to be forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such statements are subject to factors that could cause actual results to differ materially from anticipated results. The factors that could cause actual results to differ materially from those anticipated include, but are not limited to, the risk factors set forth in CACI's Annual Report on Form 10-K for the fiscal year ended June 30, 2014, and other such filings that CACI makes with the Securities and Exchange Commission from time to time. Any forward-looking statements should not be unduly relied upon and only speak as of the date hereof.
