CACI to Showcase Health IT Innovations for Vigilant Mission Care at HIMSS16 Annual Conference & Exhibition

Solutions for Modernizing Systems, Informing Decisions, and Improving Patient Outcomes

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT:CACI](#)) will demonstrate solutions for modernizing healthcare systems, informing medical decisions, and improving patient outcomes at the [Healthcare Information and Management Systems Society \(HIMSS\) Annual Conference & Exhibition](#) on February 29-March 4, 2016 at Venetian and Sands Convention Centers in Las Vegas, NV. This industry-leading conference brings together more than 40,000 health IT professionals, clinicians, executives, and vendors from around the world.

In keeping with this year's conference theme, "Transforming Health Through IT," CACI will showcase innovative solutions for integrating health IT systems, enabling data-driven health decisions, as well as mitigating health threats and enabling response. These solutions include modernized, interoperable, and secure health IT systems; ensuring patient data integrity and privacy; clinical data and population health analysis; as well as disease surveillance and outbreak detection, medical logistics for worldwide readiness, and rapid response for public health emergencies and humanitarian relief. Visit CACI at Booth 2074 to view these solutions and register to win a Fitbit Surge™ fitness super watch.
