CACI Logistics & Material Readiness Group Receives CMMI ML 5 Reappraisal

Renewed Appraisal Signifies the Continuous Improvement of Processes

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) announced today that its [Logistics and Material Readiness](#) (LMR) business has been reappraised at maturity level (ML) 5 of the CMMI Institute's Capability Maturity Model Integration (CMMI)® following a comprehensive appraisal. This is the third CMMI ML5 the LMR team has received, attesting to its strong commitment to the highest levels of process quality.

CACI has made a commitment to operational excellence a cornerstone of its success since its founding. To support this excellence, it has maintained CMMI levels for several decades. By regularly re-validating its CMMI appraisals, CACI assures its customers that its solutions and services follow industry-standard processes to deliver high-quality results on time and within budget.

Appraisal at Maturity Level 5 indicates that CACI's LMR organization is performing at an "optimizing" level. According to the CMMI Institutes, an organization at this level continually improves its processes based on a quantitative understanding of its business objectives and performance needs.

CACI Chief Operating Officer and President of U.S. Operations [John Mengucci](#) said, "This reappraisal of our Logistics and Material Readiness organization at Maturity Level 5 is a testament to the reliable precision of our approach to project delivery. We apply rigorous and demanding standards to ensure that our customers get consistency and excellence."

[Ken Asbury](#), CACI's President and Chief Executive Officer, said, "The delivery of operational excellence is a crucial part of our successful growth strategy, and this reappraisal is a testament to our success. Delivering excellence helps build CACI's reputation as a company that gets the job done the right way every time, which in turn supports our drive to win new business while retaining work with our existing customers."
