## **CACI Awarded Multi-Million Dollar Task Order Contract to Support Counter Narco-Terrorism for U.S. Central Command**

### ***Work Will Help CENTCOM, Other COCOMS Disrupt Narco-Terrorism Networks***

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) announced today it has been awarded a multi-million dollar task order contract to continue supporting counter narco-terrorism (CNT) work for U.S. Central Command (CENTCOM) in Afghanistan and other Combatant Commands (COCOMs). This task order was awarded under the Rapid Response 3<sup>rd</sup> Generation contract vehicle and expands CACI's business in its [Intelligence Services](#) market area.

The CNT mission of CENTCOM and other COCOMs involves establishing and supporting CNT networks and infrastructure, protecting U.S. Armed Forces conducting CNT work, and providing law enforcement training to host nations to disrupt narco-terrorist activities and organizations. CACI will provide support in such areas as program management, advisement, training, and logistics for both CENTCOM and its military and civilian partner agencies.

CACI offers CENTCOM a full cadre of CNT subject matter experts. This team consists of former top-ranking military officers and officials from civilian agencies intimately involved in CNT work. The high-level experience of CACI personnel in combatting drug trafficking and terrorism gives them the functional expertise to support the U.S. military in developing measurable methods and goals for the program. This award expands the CNT mission from Central Asia to additional areas of interest.

[John Mengucci](#), CACI's Chief Operating Officer and President of U.S. Operations, said, "This award allows CACI to continue to provide low-risk, quick-reaction, agile, and high-value support for the dynamic requirements of the counter-narcotics mission. CACI's experienced personnel have developed metrics-driven solutions that ensure accountability for its team and quantifiable results for the customer."

According to CACI President and Chief Executive Officer [Ken Asbury](#), "CACI's strategic growth plan centers on delivering high-end solutions and services to support vital, and enduring, U.S. government missions. Our continued work on this counter narco-terrorism program is critical to ensuring the safety of our Armed Forces who conduct this dangerous assignment, and ultimately shielding our citizens at home."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A *Fortune* magazine World's Most Admired Company in the IT Services industry, CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI provides dynamic careers for over 20,000 employees. Visit [www.caci.com](http://www.caci.com).

*There are statements made herein which do not address historical facts, and therefore could be interpreted to be forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such statements are subject to factors that could cause actual results to differ materially from anticipated results. The factors that could cause actual results to differ materially from those anticipated include, but are not limited to, the risk factors set forth in CACI's Annual Report on Form 10-K for the fiscal year ended June 30, 2015, and other such filings that CACI makes with the Securities and Exchange Commission from time to time. Any forward-looking statements should not be unduly relied upon and only speak as of the date hereof.*
