## **CACI Awarded Prime Position on \$460 Million Multiple-Award Contract to Support U.S. Cyber Command**

### ***Company Offers Innovative Cyber Mission Support Solutions***

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) announced today that it has been awarded a prime position on a \$460 million multiple-award, indefinite delivery/indefinite quantity contract to provide mission support services for U.S. Cyber Command (USCYBERCOM). This five-year contract represents new work in the company's [Cyber Security](#) market area.

USCYBERCOM plans, coordinates, integrates, synchronizes, and conducts activities to direct the operations and defense of specified Department of Defense information networks. It conducts full-spectrum military cyberspace operations and ensures U.S. and Allied freedom of action in cyberspace while denying the same to their adversaries. Under this contract, CACI will offer cyber engineering and support services to assist USCYBERCOM in achieving its mission objectives.

[John Mengucci](#), CACI's Chief Operating Officer and President of U.S. Operations, said, "CACI is proud to continue and build upon our support for U.S. Cyber Command and the Cyber Mission Forces. Under this contract, CACI will deliver cutting-edge mission technologies and subject matter expertise across a wide range of cyber capabilities."

According to CACI President and Chief Executive Officer [Ken Asbury](#), "CACI is committed to securing our nation's cyber domain. Our experience in cyber operations and investment in innovative cyber solutions will help the Department of Defense strengthen national security, support our military's critical missions, and safeguard our government's most vital information."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A *Fortune* magazine World's Most Admired Company in the IT Services industry, CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index.
