CACI to Showcase Solutions at AUSA Annual Meeting That Help U.S. Army Strengthen, Innovate, Adapt for Evolving Missions

Capabilities Include Precision System to Counter Drones; Multi-INT Analytics; Mission-Focused IT

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE MKT: CACI](#)) will showcase solutions to support America's ground forces at the [Association of the U.S. Army's Annual Meeting and Exposition](#) on October 3-5, 2016 at the Walter E. Washington Convention Center in Washington, DC. The annual conference brings together Army leadership, industry experts, academia, and land power specialists from around the world to discuss the issues and challenges facing the U.S. and the defense community today.

In keeping with this year's conference theme, "America's Army: Ready Today, Preparing for the Future," CACI will showcase transformative solutions that support the Army's enduring priority to advance technologies that help the service strengthen, innovate, and adapt for evolving missions.

CACI's AUSA showcase solutions include a precision system that counters drones on the battlefield and around forward operating bases; a soldier-packable electronic warfare platform; an integrated Army pay and personnel system; unique multi-intelligence analytic and visualization tools; a product lifecycle management solution that turns complex data and analysis into actionable information needed to enhance readiness; and next-generation IT delivered to the battlefield. CACI's corporate culture of ethics and integrity is foundational to advancing solutions that support the Army's critical missions.
