

## **CACI Solutions at CDCA Defense Summit: Readiness and Resiliency for U.S. Navy and Marine Corps in Today's Multi-Domain Battle**

Arlington, Va., December 4, 2017 - CACI International Inc ([NYSE: CACI](#)) will showcase solutions to support the U.S. Navy, Marine Corps, and Joint Community at the [Charleston Defense Contractors Association \(CDCA\) Defense Summit](#) on December 5-8, 2017 at the Charleston Area Convention Center in Charleston, SC. The annual conference brings together government and industry experts to discuss the issues and challenges facing the U.S. and the defense community today.

CACI will showcase innovative solutions that support today's warfighters in the multi-domain battle. These solutions will include next-generation IT and secure communications for use in a complex battlespace; software integration on a mobile tactical platform with limited or disadvantaged communications; Agile development and DevSecOps methodologies to rapidly modernize and deploy mission applications and business systems; Model-Driven Design and Implementation (MDDI) for system engineering; and a counter-UAS system that detects, identifies, and tracks commercial drone threats around bases or large areas of interest.

Visit CACI at booth 301 to view these demonstrations and more.

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. CACI is a member of the Fortune 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI's sustained commitment to ethics and integrity defines its corporate culture and drives its success.
