

CACI Awarded Prime Position on \$17.5 Billion Multiple-Award Defense Information Systems Agency ENCORE III Contract

Arlington, Va., March 15, 2018 - CACI International Inc ([NYSE:CACI](#)) announced today that it is one of 20 companies awarded a prime position on a multiple-award, indefinite delivery/indefinite quantity contract, with a ceiling value of \$17.5 billion, to support the Defense Information Systems Agency (DISA) ENCORE III information technology (IT) solutions program. The award positions CACI to provide DISA with a full range of IT solutions and services. The 10-year contract represents continuing work for CACI across multiple market areas, including [Business Systems](#), [Cyber Security](#), and [Enterprise IT](#).

ENCORE III is a follow-on to DISA's ENCORE II \$12 billion program that supported a wide range of information technology and communications solutions to DoD and federal clients. The contract is open for use by all military services, the Department of Defense, and other agencies of the federal government. Under the contract, CACI will offer a broad array of IT solutions for the development, installation, fielding, training, operation, and life-cycle management of components and systems in customer operational environments.

[Ken Asbury](#), CACI's President and Chief Executive Officer, said, "CACI's ongoing partnership with the Defense Information Systems Agency on its highly successful ENCORE program demonstrates the continuing value we offer this important customer. CACI's highly technological workforce, expertise, and investment in innovative solutions across our market areas enable our customers throughout the federal government to achieve efficiency, reliability, and security to help safeguard our nation."
