

## **CACI Awarded \$23 Million Prime Contract to Provide Financial Management and Accounting Solution Services to Defense Agencies Initiative Program Office and DoD Agencies**

Arlington, Va., May 14, 2018 - CACI International Inc ([NYSE: CACI](#)) announced today that it has been awarded a prime contract worth up to \$23 million (if all options are exercised) to continue providing development, enhancement, and maintenance support of the Defense Agencies Initiative (DAI) Acquire to Retire (A2R) process area. This five-year contract represents continuing business in the company's [Business Systems](#) market area.

DAI is a critical Department of Defense (DoD) effort to transform the budget, finance, and accounting operations of most DoD agencies. Under this contract, CACI will provide onsite financial management leadership and Oracle® Enterprise Business System solution design, development, testing, training, implementation, and sustainment services. CACI will continue to provide full lifecycle support for the DAI's implementation of a modern, audit-ready enterprise financial solution deployed to more than 40,000 users at 22 DoD agencies. CACI will also support the maturation of DAI processes and procedures as the program adapts Agile software development techniques and continues to refine its sustainment activities as it prepares for large agency implementations.

CACI President of U.S. Operations DeEtte Gray said, "CACI continues to provide advanced enterprise solutions and proven domain expertise to the Department of Defense as it standardizes financial management and accounting systems and processes for all its agencies. We're committed to supporting the Defense Agencies Initiative to streamline processes, enhance services, and deliver valuable savings in time and cost to America's military."
