GFG Resources Strengthens Board with the Appointment of Arnold Klassen

12/7/2016

SASKATOON, SK -- (Marketwired) -- 12/07/16 --

GFG Resources Inc. (TSX VENTURE: GFG) (OTCQB: GFGSF) (“GFG” or the "Company") is pleased to announce the appointment of Mr. Arnold Klassen to its Board of Directors ("Board"). Mr. Klassen will join the Board effective immediately.

"We are pleased to have Mr. Klassen bring his significant board experience to our team," stated Patrick Downey, Chair of the Board. "His wide range of expertise and skills, with a focus on accounting, finance and corporate governance, complement our Board well and will benefit the Company as we advance the Rattlesnake Hills Gold Project."

Mr. Klassen is a Chartered Professional Accountant with over 35 years of experience in accounting, audit and tax, of which includes over 30 years of experience in the mining industry. Mr. Klassen is currently President of AKMJK Consulting Ltd., a private consulting company, and prior to that was the Vice President of Finance for Dynatec Corporation. Mr. Klassen has significant board experience which includes, Lake Shore Gold Corp., Claude Resources Inc. and Northern Superior Resources Inc. and is currently a director of Kirkland Lake Gold Ltd. Mr. Klassen holds a degree in Commerce from the University of British Columbia and has obtained the Institute of Corporate Directors ICD.D designation.

GFG Resources Inc. is a publicly traded precious metals exploration company headquartered in Saskatoon, Saskatchewan Canada, whose shares trade on the Toronto Venture Stock Exchange (GFG) and on the OTCQB (GFGSF). The Company owns 100% of the Rattlesnake Hills Gold Project, a district scale gold exploration project located approximately 100 kilometers southwest of Casper, Wyoming U.S. The geologic setting, alteration and
mineralization seen in the Rattlesnake Hills are similar to other gold deposits of the Rocky Mountain alkaline province which, collectively, have produced over 50 million ounces of gold.

CAUTION REGARDING FORWARD-LOOKING INFORMATION

All statements, other than statements of historical fact, contained in this news release constitute “forward-looking information” within the meaning of applicable Canadian securities laws and “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995 (referred to herein as “forward-looking statements”). Forward-looking statements include, but are not limited to, the future price of gold, success of exploration activities and metallurgical test work, permitting time lines, currency exchange rate fluctuations, requirements for additional capital, government regulation of exploration work, environmental risks, unanticipated reclamation expenses, title disputes or claims and limitations on insurance coverage. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate" or "believes", or the negative connotation thereof or variations of such words and phrases or state that certain actions, events or results, "may", "could", "would", "will", "might" or "will be taken", "occur" or "be achieved" or the negative connotation thereof.

All forward-looking statements are based on various assumptions, including, without limitation, the expectations and beliefs of management, the assumed long-term price of gold, that the Company will receive required permits and access to surface rights, that the Company can access financing, appropriate equipment and sufficient labour, and that the political environment within the United States will continue to support the development of mining projects in the United States. In addition, the similarity or proximity of other gold deposits of the Rocky Mountain alkaline province to the Rattlesnake Hill Gold Project is not necessary indicative of the geological setting, alteration and mineralization of the Rattlesnake Hills Gold Project.

Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of GFG to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: actual results of current exploration activities; environmental risks; future prices of gold; operating risks; accidents, labour issues and other risks of the mining industry; delays in obtaining government approvals or financing; and other risks and uncertainties. These risks and uncertainties are not, and should not be construed as being, exhaustive.

Although GFG has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. In addition,
forward-looking statements are provided solely for the purpose of providing information about management's current expectations and plans and allowing investors and others to get a better understanding of our operating environment. Accordingly, readers should not place undue reliance on forward-looking statements.

Forward-looking statements in this news release are made as of the date hereof and GFG assume no obligation to update any forward-looking statements, except as required by applicable laws.
