About Volaris: *("Volaris" or the "Company") (NYSE: VLRS and BMV: VOLAR), is an ultra-low-cost carrier (ULCC), with point-to-point operations, serving Mexico, the United States and Central America. Volaris offers low base fares to build its market, providing quality service and extensive customer choice. Since beginning operations in March 2006, Volaris has increased its routes from five to more than 194 and its fleet from four to 80 aircraft. Volaris offers more than 384 daily flight segments on routes that connect 40 cities in Mexico and 26 cities in the United States and Central America with one of the youngest fleet in the Americas. Volaris targets passengers who are visiting friends and relatives, cost-conscious business people and leisure travelers in Mexico and to selected destinations in the United States and Central America. Volaris has received the ESR Award for Social Corporate Responsibility for ten consecutive years. For more information, please visit: www.volaris.com .
