

NEWS RELEASE

# Lumen Technologies to Participate in Upcoming Investor Conferences

2025-07-16

DENVER--(BUSINESS WIRE)-- **Lumen Technologies** (NYSE: LUMN), a global provider of digital networking services for enterprise, today announced that it will participate in a series of investor conferences to share updates on its transformation strategy, growth priorities, and long-term value creation plan.

Company executives will join institutional investors, analysts and industry leaders at the following events:

- TD Cowen Communications Infrastructure Summit on August 12.
- Citi 2025 Global TMT Conference on September 3.
- Bank of America 2025 Media, Communications & Entertainment Conference on September 4.
- Goldman Sachs Communicopia on September 10.
- RBC Global Communications Infrastructure Conference on September 16.

"These conferences provide a valuable opportunity to engage directly with investors and reinforce the story of how Lumen is evolving to meet the enterprise demands of the AI-powered, data-driven economy," said Chris Stansbury, Executive Vice President and Chief Financial Officer of Lumen Technologies. "We're building a next-generation fiber network and digital platform to power the future of business innovation and growth—and we're excited to share our momentum and long-term vision."

When applicable, links to live webcasts and replays of select investor presentations will be available on the Lumen Investor Relations [website](#).

## About Lumen Technologies

Lumen is unleashing the world's digital potential. We ignite business growth by connecting people, data, and

applications – quickly, securely, and effortlessly. As the trusted network for AI, Lumen uses the scale of our network to help companies realize AI's full potential. From metro connectivity to long-haul data transport to our edge cloud, security, managed service, and digital platform capabilities, we meet our customers' needs today and as they build for tomorrow.
