

Forward-Looking Statement Disclaimer/Risks and Uncertainties

The statements contained in this website and the various presentations included in this website that are not historical facts are “forward looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Any and all statements regarding the Company’s expected future financial position, results of operations, cash flows, business strategy, budgets, projected costs, capital expenditures, products, competitive positions, growth opportunities, plans, goals and objectives of management for future operations, as well as statements that include words such as “anticipate,” “if,” “believe,” “plan,” “estimate,” “expect,” “intend,” “may,” “could,” “should,” “will,” and other similar expressions are forward-looking statements. These forward-looking statements are made subject to certain risks and uncertainties, which could cause actual results to differ materially from those presented. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only to the date such data was posted to the website. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the posting of this data to the website. Among the factors that could cause plans, actions and results to differ materially from current expectations are, without limitation: (1) delays in delivery and other supply chain disruptions, or increases in costs as a result of inflation or otherwise, including materials and transportation costs and shortages, the imposition of tariffs, or the renewal of tariff exclusions, on raw materials or sourced products, and labor or changes in or unavailability of quality suppliers or transporters, (2) the duration and severity of the COVID-19 pandemic, any preventive or protective actions taken by governmental authorities, the effectiveness of actions taken globally to contain or mitigate its effects, and any unfavorable effects of the COVID-19 pandemic on either the Company's or its suppliers plants' capabilities to produce and ship products if COVID-19 continues to spread or quarantines are re-established, (3) the ability of Hyster-Yale and its dealers, suppliers and end-users to access credit in the current economic environment, or obtain financing at reasonable rates, or at all, as a result of current economic and market conditions, (4) further impairment charges or charges due to the valuation allowances, (5) delays in manufacturing and delivery schedules, (6) reduction in demand for lift trucks, attachments and related aftermarket parts and service on a global basis, including any reduction in demand as a result of a COVID-19 triggered economic recession, (7) the successful commercialization of Nuvera's technology, (8) customer acceptance of pricing, (9) the political and economic uncertainties in the countries where the Company does business, (10) exchange rate fluctuations and monetary policies and other changes in the regulatory climate in the countries in which the Company operates and/or sells products, (11) bankruptcy of or loss of major dealers, retail customers or suppliers, (12) customer acceptance of, changes in the costs of, or delays in the development of new products, (13) introduction of new products by, or more favorable product pricing offered by, competitors, (14) product liability or other litigation, warranty claims or returns of products, (15) the effectiveness of the cost reduction programs implemented globally, including the successful implementation of procurement and sourcing initiatives, (16) changes mandated by federal, state and other regulation, including tax, health, safety or environmental legislation, and (17) unfavorable effects of geopolitical and legislative developments on global operations, including without limitation the entry into new trade agreements and the imposition of tariffs and/or economic sanctions.
