Telephone Number: 888-843-8416

Supplier Emergency Contacts & Phone Number
CHEMTREC: 800-424-9300

Manufacturer Emergency Contacts & Phone Number
CHEMTREC: 800-424-9300

Product Name: M-Prove™

CAS Number: N/A

Product/Material Uses
Mercury Oxidation Chemical

Section 2. Hazard(s) Identification

GHS Classification

OSHA/HCS Status
This product is not considered hazardous by OSHA Hazard Communication Standard (29 CFR 1910.1200); irritant.

Hazard and Precautionary Statements

H320: Causes eye irritation
H316: Causes mild skin irritation.
H303: May be harmful if swallowed.

P280: Wear protective gloves/clothing/eye
P305 + P351 + IF IN EYES; Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.
P338 Get medical advice/attention.
P315

Primary Routes of Entry

Inhalation
May cause respiratory irritation to mucous membranes and lung tissue. Not expected to present an inhalation hazard.

Skin Hazards
May cause skin irritation especially on repeated or prolonged contact.

Eye Hazards
Liquid, aerosols, vapors of the product may be irritating.

Ingestion Hazards
May be harmful if swallowed. Humans are more prone to nitrate and nitrite poisoning. This

Carcinogenicity
See Section 11 for additional information.
Section 3. Composition/Information on Ingredients

Section 4. First Aid Measures

**Eye Contact**
Immediately flush eyes with plenty of water for at least 20 minutes while holding eyelids open. Remove contacts and continue rinsing. Get medical attention, if irritation persists.

**Skin Contact**
Remove contaminated clothing. Wash exposed area thoroughly with soap and water at least 20 minutes. Get medical attention if irritation develops or persists. Wash clothing before reuse.

**Inhalation**
Move victim to fresh air. If not breathing, give artificial respiration. If breathing is difficult, administer oxygen. Get immediate medical attention.

**Ingestion**
Wash mouth thoroughly with plenty of water if safe to do so. Do not induce vomiting or give anything by mouth to an unconscious person. Seek prompt medical attention.

Section 5. Fire-Fighting Measures

**Fire and Explosion Hazards**
Flash Point: N/A
Auto Ignition Temperature: N/A

Special Hazards: The material will decompose slowly from 700°C, releasing poisonous and corrosive halide fumes.

**Extinguishing Media**
Use extinguishing media suitable for surrounding combustibles. Cool closed containers with water spray. Firefighters should wear self-contained breathing apparatus.

Section 6. Accidental Release Measures

**Personal Precautions**
Use personal protective equipment recommended in Section 8. Ensure adequate ventilation. Evacuate personnel to safe areas.

**Environmental Precautions**
Use personal protective equipment recommended in Section 8.
In case of spill, leak or release

See Section 13.

Section 7. Handling and Storage

Handling Precautions
Avoid contact with skin and eyes. Use appropriate personal protective equipment (PPE) referenced in Section 8. Avoid inhalation of vapors or mist.

Storage Precautions
Keep containers closed when not in use. Store in cool, dry, well-ventilated place away from compliable materials. Protect from heat, light and moisture.

Work/Hygienic Practices
Wash thoroughly with soap and water after handling. Do not use waterless hand cleaners.

Section 8. Exposure Controls/Personal Protection

In the following table, ACHIG TLV refers to the American Conference of Governmental Industrial Hygienists' Threshold Limit Values, and OSHA PEL refers to the Occupational Safety and Health Administration's Permissible Exposure Limit.

<table>

<td>Not established for any chemical present</td>
<td>Not established for any chemical present</td>
</tr>
</tbody>
</table>

Engineering Measures
Use adequate ventilation from mechanical source to control airborne dust exposure.

Hygiene Measures
Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday. Do not eat, smoke, or drink where material is handled processed or stored.

Respiratory
Wear a NIOSH/MSHA approved respirator with a HEPA cartridge or equivalent.

Eyes and Face
Wear safety glasses with side shields (or goggles) and a face shield.

Section 9. Physical and Chemical Properties

Freezing Point (°F): N/A
Specific Gravity (H₂O = 1 @ 70 °F): 1.54
Vapor Pressure: 14mmHg at 20°C
Volatile Organic (VOC) Content: N/A

Section 10. Stability and Reactivity

Conditions to Avoid: High heat and oxidizing agents.
Incompatibility: High heat, oxidizing agents and strong acids.
Decomposition Products: May release toxic and corrosive halide fumes.

Section 11. Toxicological Information

Note: The toxicological information date presented are the result of studies conducted on the main active ingredient.

*Trade Secret | LD50 (oral, rat) | >1852 mg/kg

Section 12. Ecological Information

Aquatic Toxicity
N/A
Persistence/Degradation
Biodegradation is not relevant for inorganic salts.
Bioaccumulation
Not expected to bioaccumulate.
Mobility in Soil
Expected to be mobile in soil.

Section 13. Disposal Considerations

Waste Disposal
Dispose of in a permitted waste management facility following all local, state, and federal regulations. Dry material may be placed in appropriate containers and disposed of in accordance with applicable governmental regulations.
Section 14. Transport Information

The data provided in this section is for information only and may not be specific to your package size or mode of transport. You will need to apply the appropriate regulations to properly classify your shipment for transportation.

<table>

SARA Section 312 Hazardous Categories

| Immediate (acute) Health Hazard | NO |
| Delayed (chronic) Health Hazard | NO |
| Fire Hazard                     | NO |
| Reactivity Hazard               | NO |
| Sudden Release of Pressure      | NO |

SECTION 16. Other Information

Occupational Safety & Health Administration (OSHA) CFR 1910.1200 Appendix E - Definition of Trade Secret, establishes criteria to be used in evaluating trade secrets.

*Trade secret means any confidential formula, pattern, process, device, information or compilation of information that is used in an employer's business, and that gives the employer an opportunity to obtain an advantage over competitors who do not know or use it.

NFPA Rating
Health: 1
Fire: 0
Reactivity: 0
Hazard: 0
Issue Date 05/7/2019 Supersedes all previous SDS for this product.

**Disclaimer**

This information relates to the product designated herein and does not relate to its use in combination with any other material or in any other process. To the best of ADA Carbon Solutions (Red River), LLC’s and ADA-ES, Inc.’s knowledge, the information contained herein is reliable and accurate as of this date; however, accuracy, suitability, and completeness are not guaranteed. Users are responsible to verify this data for their own particular use and they assume all risks of their reliance upon information contained herein. ADA Carbon Solutions (Red River), LLC and ADA-ES, Inc., shall under no circumstances be liable for incidental or consequential damages as a result of reliance upon information contained herein.

NO WARRANTY: ADA CARBON SOLUTIONS (RED RIVER), LLC AND ADA-ES, INC. MAKE NO WARRANTY OF MERCHANTABILITY OR OF ANY OTHER KIND WITH RESPECT TO INFORMATION CONTAINED HEREIN, EITHER EXPRESSED OR IMPLIED.
