NEWS RELEASE

Versigent Announces Third Quarter 2026 Earnings Call Details

2026-10-01

SCHAFFHAUSEN, Switzerland--(BUSINESS WIRE)-- **Versigent PLC** (NYSE: VGNT), a global leader in the design and manufacture of low- and high-voltage electrical architectures, today announced it will release its third quarter 2026 financial results before the market opens on the New York Stock Exchange on Wednesday, November 4, 2026. At 8 a.m. ET the same day, Versigent's Chief Executive Officer, Joe Liotine, and Chief Financial Officer, Doug Ostermann, will host a webcast and conference call to discuss the results.

The webcast will be available at the following link: **https://itl.ink/Q3EarningsWebcast**.

To participate by telephone, dial +1-800-330-6710 (U.S.) or +1-213-279-1505 (International) 15 minutes prior to the start of the call and ask to be connected to the Versigent conference call. The conference ID number is 8915989.

The earnings release, related presentation materials and webcast will be available under the Events and Presentations section of Versigent's Investor Relations website at **ir.versigent.com**. A replay of the webcast will be available at the same website approximately two hours after the call concludes and for the three months thereafter.

About Versigent

Versigent is a global leader in the purposeful design and advanced manufacturing of low- and high-voltage electrical architectures. Building on a legacy of engineering excellence and trusted partnerships, Versigent delivers versatile, intelligent solutions engineered to unlock greater capabilities for our customers. Powering one in six passenger vehicles in production today, Versigent's high performance signal, power, and data distribution systems are trusted

by industry leaders across automotive, commercial vehicles, agriculture and energy storage. With engineering and manufacturing centers on four continents and operations in more than 25 countries, Versigent's approximately 138,000 employees match global scale with regional responsiveness to deliver consistent quality and reliable performance connecting the world to faster, smarter and safer experiences.
