Fredrikstad, 7 June 2018: Europris (OSE: EPR) today opened a new store in Ørnes in Meløy municipality, in the county of Nordland. Today's store opening brings the extensive network of stores to 255.

Europris has opened five stores so far this year and plans to open one additional store prior to the summer holiday period at the end of June.

- We are always excited about new store openings, and we are now more than half way through our pipeline for the year of nine new stores in total. We look forward to making our attractive offers and bargains available at these remaining locations by the end of the year, says CEO Pål Wibe.

Europris' extensive network of 255 stores covers all counties in Norway. Continued expansion of the store portfolio in both rural and urban areas is an important part of Europris' current growth strategy.
