

Europris ASA: Share programme 2026 for primary insiders completed

2026-08-28

28 August 2026: Europris ASA has carried out the long-term incentive programme for 2026 covering restricted shares. The restricted share programme provides participants with the opportunity to annually purchase shares with a three-year lock-in period for an amount limited to a maximum of NOK 500,000. The value reduction of the shares from the lock-in period was 16 per cent. This was calculated by an independent firm based on Black & Scholes methodology. The market price for the shares was NOK 86.99 per share, which corresponds to the ten-day volume-weighted average price of Europris' share for the period 14 to 27 August 2026. The price per share after the value reduction (the purchase price) was NOK 73.07.

The following executives discharging managerial responsibilities in Europris ASA have, on 28 August 2026, acquired shares in Europris in connection with the long-term incentive programme:
