

HAPPY 45th ANNIVERSARY, NIRI-NY!

What do the first NYC Marathon, the premier of Airport the movie, and Dow 838 have in common? They all happened in 1970!

Join all of us at NIRI-NY as we gather to celebrate 45 years as a chapter. NIRI-NY was "born" in 1970 as the founding chapter of the National Investor Relations Institute, and today we are the largest chapter with a broad diversity of members by market cap, industry, and experience.

It'll be a gas!
