NIRI-New York Chapter Seeks Corporate Partners for Logler 9/11 Internship Program

New York, NY - January 14, 2011 - The New York Chapter of the National Investor Relations Institute (NIRI-NY) announced today that it is seeking partners in the New York area investor relations, public relations and corporate communications communities who can offer internships for the chapter's Logler 9/11 Internship Program in summer 2011.

In past years, NIRI-NY has successfully placed interns with CapitalBridge, PepsiCo, Veeco Instruments, EDGAR Online, Burson-Marsteller, Delphi Financial, Altria and Hain Celestial.

The Logler 9/11 Internship Program is sponsored on a volunteer basis by NIRI-NY to provide meaningful summer internship opportunities to relatives of victims of the 9/11 attacks. The program was founded by NIRI-NY in memory of chapter member Elizabeth (Beth) Logler, Vice President-Investor Relations of eSpeed, who lost her life in the attacks on the World Trade Center.

In this, the 10th anniversary year of the attacks, we remain as committed as ever to supporting those children who are just now embarking on their professional paths. If you or your firm has the ability to offer a paid summer internship in investor or public relations or corporate communications, please email Patrick Tracey at patrick.tracey@computershare.com.

ABOUT NIRI-NY

NIRI-NY, the founding chapter of the National Investor Relations Institute (NIRI), is also the largest chapter with over 450 members. Founded in 1969, NIRI is a professional association of corporate officers and investor relations consultants responsible for communication among corporate management, the investing public and the financial community. NIRI members represent the majority of the largest publicly held corporations in the U.S. as well as many small and mid-sized companies. With over 4,000 members in 35 chapters around the country, NIRI sets the highest standards in education to advance the practice of investor relations and meet the growing professional development needs of those engaged in the field.
