A. PURPOSE

The purposes of the Committee shall be to:

1. oversee the Company’s compensation policies, plans, benefits programs, and overall compensation philosophy;
2. assist the Board in discharging its responsibilities relating to (a) overseeing compensation of the Company’s Chief Executive Officer (“*CEO*”) and other individuals who are “officers” as defined in Rule 16a-1(f) (all such officers, the “*Executive Officers*”) under the Securities and Exchange Act of 1934, as amended (the “*Exchange Act*”), and (b) evaluating and recommending the Executive Officer compensation plans, policies and programs of the Company;
3. administer the Company’s incentive compensation plans, equity compensation plans, and such other plans as designated from time to time by the Board; and
4. prepare the report of the Committee required by the rules and regulations of the Securities and Exchange Commission (the “*SEC*”).

The Committee shall seek to structure the Company’s compensation plans, policies and programs in order to attract and retain the best available personnel for positions of substantial responsibility with the Company, provide incentives for such persons to perform to the best of their abilities for the Company, maintain appropriate levels of risk and reward and promote the success of the Company’s business.

B. COMPOSITION

1. Membership. The Committee shall consist of at least two members of the Board. The members of the Committee shall be appointed by the Board and shall serve until the earlier of their resignation or removal by the Board in its discretion.
2. Qualifications. The members of the Committee must satisfy the independence standards of the New York Stock Exchange (the “*NYSE*”), except as otherwise permitted by applicable NYSE rules. Unless determined otherwise by the Board, each member of the Committee must be a “non-employee director” as defined in Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, as amended.
3. Chairperson. The Board may designate a chairperson of the Committee (the “*Chairperson*”). The Chairperson of the Committee (or, in the Chairperson’s absence, a member designated by the Chairperson or the Committee) shall preside at each meeting of the Committee, set the agendas for the Committee meetings and report regularly to the Board regarding the Committee’s activities. In the absence of that designation, the Committee may designate a Chairperson by majority vote of the Committee members, provided that the Board may replace any Chairperson designated by the Committee at any time.

C. RESPONSIBILITIES

The following are the principal recurring responsibilities of the Committee. The Committee may perform other functions that are consistent with its purpose, applicable law, rules and regulations, the Company’s bylaws and as the Board or Committee deem appropriate. In carrying out its responsibilities, the Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances.

1. Executive Compensation. The Committee shall have direct responsibility to:
 - a. review and approve the corporate goals and objectives applicable to the compensation of the CEO, evaluate the CEO’s performance in light thereof, and, based upon this evaluation (either alone or, if directed by the Board, in conjunction with a majority of the independent directors of the Board), set the compensation level of the CEO; and
 - b. oversee an evaluation of the Executive Officers other than the CEO and, after considering such evaluation, review and approve, or recommend for approval to the Board, the compensation of such Executive Officers.
2. Review, Approve, and Administer Employee Compensation Plans. The Committee shall review, approve and administer, including the termination of, the Company’s employee benefit and compensation and equity incentive plans. In its administration of the plans, the Committee may (a) grant stock options, restricted stock units, stock purchase rights or other equity-based or equity-linked awards to individuals eligible for such grants (including grants to individuals subject to Section 16 of the Exchange Act in compliance with Rule 16b-3 promulgated thereunder) in accordance with procedures and guidelines as may be

established by the Board and (b) amend such stock options, restricted stock units, stock purchase rights or other equity-based or equity-linked awards. The Committee may also adopt, amend and terminate such plans, including approving changes in the number of shares reserved for issuance thereunder, subject to obtaining any required stockholder approval.

3. Evaluate Compensation Risk. The Committee shall, at least annually, review and discuss the Company's compensation policies and practices with management to:
 - a. determine whether the policies and practices encourage excessive risk-taking;
 - b. review the relationship between risk management policies and compensation; and
 - c. evaluate compensation policies and practices that could mitigate any such risk.
4. Clawback and Recoupment. If and as the Committee determines to be necessary or appropriate, or as required by applicable law, the Committee shall approve, or recommend to the Board for approval, the creation or revision of any clawback policy allowing the Company to recoup compensation paid to employees.
5. Board Compensation. The Committee shall periodically review and recommend to the Board the form and amount of compensation to be paid for service on the Board and Board committees and for service as a chairperson of a Board committee.
6. Compliance. In consultation with management, the Committee shall oversee regulatory compliance with respect to compensation matters affecting the Company. The Committee shall (a) review and discuss with management the Company's "Compensation Discussion and Analysis" ("**CD&A**") and related executive compensation information, and will consider whether it will recommend that the CD&A and related compensation information be included in the Company's annual report on Form 10-K and in its proxy statement, and (b) produce the compensation committee report on executive officer compensation included in the Company's proxy statement or annual report on Form 10-K, each to the extent required of the Company.
7. Advisors. The Committee is authorized, in its sole discretion, to retain or obtain the advice of compensation consultants, independent legal counsel and other advisors. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any compensation consultant, independent legal counsel and other advisor retained by the Committee. Such responsibility includes the sole authority to retain or terminate, and to determine the terms of engagement and the extent of funding necessary for payment of reasonable compensation to, compensation consultants, independent legal counsel and other advisors retained by the Committee. The Company shall provide

appropriate funding for the payment of compensation to its compensation consultants, outside legal counsel and other advisors retained by the Committee. Prior to selecting and receiving advice from compensation consultants, outside legal counsel and other advisors (other than the Company's in-house legal counsel), the Committee shall take into consideration all factors, including any applicable factors under the NYSE rules, relevant to the adviser's independence from management.

The Committee shall evaluate whether any compensation consultant retained or to be retained by it has any conflict of interest in accordance with Item 407(e)(3)(iii) of Regulation S-K.

8. Committee Evaluation. The Committee shall conduct and present to the Board an annual self-performance evaluation of the Committee.
9. Charter. The Committee shall periodically review the adequacy of this charter and recommend any proposed changes to the Board for approval.

D. GENERAL

1. The Committee shall meet at such times as the Committee shall determine. The Committee may meet in person or by telephone or video conference.
2. Minutes are kept of each meeting of the Committee, and the Committee must regularly provide reports of its actions to the Board.
3. The Committee may delegate its authority when it deems it appropriate and in the best interests of the Company and when such delegation would not violate applicable law, regulation or the NYSE or SEC requirements.
4. The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.
5. The Committee may invite to its meetings other Board members, Company management and such other persons as the Committee deems appropriate in order to carry out its responsibilities.
6. Members of the Committee can receive such fees, if any, for their service as Committee members as may be determined by the Board or a duly authorized Board committee, as applicable. Members of the Committee may not receive any compensation from the Company except the fees that they receive for service as a member of the Board or any committee thereof.
