ABOUT FUBOTV

fuboTV merged with FaceBank Group in April 2020 to create a leading digital entertainment company, combining fuboTV's direct-to-consumer live TV streaming platform for cord-cutters with FaceBank's technology-driven IP in sports, movies and live performances. The combined company now operates as fuboTV [OTCQB:FBNK] with David Gandler as CEO based in New York City.

Continually innovating to give subscribers a premium viewing experience they can't find with cable TV, fuboTV is regularly first-to-market with new product features and is the only virtual MVPD to stream in 4K. Other industry "firsts" for the company include entering Europe with the launch of fuboTV España in 2018. [fubo Sports Network](#), the live, free-to-consumer TV network for passionate sports fans, launched in 2019 with event coverage, news, behind-the-scenes and exclusive programming.
