New Market Access Deal Will Bring U.S.'s Top-Rated Sportsbook to Colorado

BOSTON – January 27, 2020 – DraftKings Inc. ("DraftKings") today announced a new market access partnership with Twin River Worldwide Holdings, Inc. (TRWH:NYSE), allowing DraftKings to offer sports fans in Colorado its award-winning Sportsbook product, subject to adoption of applicable regulations and the parties securing necessary gaming licenses. The DraftKings Sportsbook mobile app is currently available in Indiana, New Jersey, New Hampshire, Pennsylvania and West Virginia.

"Coast to coast, DraftKings is committed to providing states across the country with the ultimate experience in legal sports betting," said Ezra Kucharz, DraftKings chief business officer. "Twin River holds a mutual pledge to providing exciting, real-time gaming opportunities, and we look forward to working alongside them to introduce Colorado sports fans to our award-winning product."

As well as mobile and online Sportsbook access, the partnership will also allow Colorado sports fans to place sports bets via a retail betting operation, at Mardi Gras Casino in Black Hawk, CO. Colorado will become the fifth state where DraftKings operates a retail location, joining, Iowa, Mississippi, New Jersey and New York, subject to adoption of applicable regulations and both parties securing necessary gaming licenses.

"Completing the acquisition of Golden Gates, Golden Gulch and Mardi Gras casinos in Black Hawk, Colorado last week included the right to three sports gaming licenses in Colorado and will really allow us to expand our footprint here well beyond our Arapahoe Park racetrack and Off-Track Betting network" said George Papanier, President and Chief Executive Officer of Twin River. "We are very excited for this newly-formed partnership with DraftKings that will allow us to bring sports betting to the greater Denver market, not only with their mobile betting access, but also with an exciting retail sportsbook location inside our newly acquired casino."

DraftKings' sportsbook and daily fantasy offerings are available for mobile download on both iOS and Android.
