NEWS RELEASE

AEVEX Announces Third Quarter 2026 Earnings Results, Conference Call and Participation in Upcoming Investor Conferences

2026-10-22

SOLANA BEACH, Calif.--(BUSINESS WIRE)-- AEVEX Corp. (NYSE: AVEX) today announced the date for the release of its financial results for the third quarter ended September 30, 2026, and its participation in upcoming investor conferences.

Third Quarter 2026 Earnings Call

AEVEX will release its third quarter 2026 financial results after the close of U.S. financial markets on Wednesday, November 11, 2026. Management will host a conference call with the financial community that day at 5:00 p.m. Eastern Time to discuss third quarter 2026 results. A live audio webcast and archived replay of the call will be available on AEVEX's Investor Relations website at **https://ir.aevex.com/events-and-presentations**. The earnings release and supplemental slide presentation will also be available on AEVEX's Investor Relations website.

Upcoming Investor Conferences

Roger Wells, Chief Executive Officer, and Todd Booth, Chief Financial Officer, will participate in the following upcoming investor conferences:

- November 12, 2026 – Baird Global Industrial Conference in Chicago, IL. Management is scheduled to present at 2:45 p.m. Eastern Time.
- December 2, 2026 – Goldman Industrials and Materials Conference in New York, NY. Management is scheduled to present at 3:30 p.m. Eastern Time.
- December 4, 2026 – Bank of America Defense Technology Forum in West Hollywood, CA.

Management will be available for one-on-one and small group investor meetings at the investor conferences. Investors interested in scheduling meetings with AEVEX executives should contact their respective conference representatives or the Company's investor relations team at **ir@aevex.com**.

A live webcast and replay of the conference presentations will be available on AEVEX's Investor Relations website.

About AEVEX

AEVEX Corp. (NYSE: AVEX) is a leading U.S. defense technology company delivering autonomous unmanned systems, AI-enabled mission software, and advanced ISR and electronic warfare solutions for national security customers. With vertically integrated engineering, rapid prototyping, and high-volume manufacturing across multiple U.S. locations, AEVEX provides affordable, front-line-ready capabilities designed for contested and GPS-denied environments. AEVEX's mission is to strengthen deterrence, enhance warfighter effectiveness, and help ensure the United States maintains technological and industrial advantage in the era of autonomy.
