indie Semiconductor Announces New Employee Inducement Grants

2025-09-05

ALISO VIEJO, Calif.--(BUSINESS WIRE)-- indie Semiconductor (Nasdaq: INDI), an automotive solutions innovator, today announced that it has granted equity awards (the "Inducement Grants") under its 2023 Inducement Incentive Plan to new employees who joined indie. The grants were previously approved by the Compensation Committee of the Board of Directors of indie Semiconductor. Information regarding the equity awards can be found on the company's investor relations website at: <https://investors.indie.inc/overview/default.aspx>

About indie

Headquartered in Aliso Viejo, CA, indie is empowering the automotive revolution with next generation semiconductors, photonics and software platforms. We focus on developing innovative, high-performance and energy-efficient mixed-signal SoCs and system solutions for ADAS systems in addition to adjacent industrial applications. Our sensors span all major modalities including Radar, LiDAR, Ultrasound, and Computer Vision, while our embedded system control, power management and interfacing solutions are accelerating the proliferation of automated vehicle safety features. As a global innovator, we are an approved vendor to Tier 1 partners and our solutions can be found in marquee automotive OEMs worldwide.
