MEMPHIS, Tenn., Aug. 6, 2024 /PRNewswire/ -- **First Horizon Corporation** (NYSE: FHN or "First Horizon") has been named to the Forbes' list of America's Best Employers for Women 2024. This prestigious award is presented by Forbes and Statista Inc., the leading statistics portal and industry ranking provider. The award list was announced on July 23rd, 2024, and can be viewed on the Forbes **website**.

America's Best Employers for Women were identified in an independent survey from a vast sample of over 150,000 women working for companies employing at least 1,000 people within the U.S. from all industry sectors. Over 4 million employer evaluations are considered. The result is based on the following three evaluations:

Personal Evaluations: Respondents were presented with a battery of statements about their current employer, in terms of topics related to Atmosphere & Development, Diversity, Image, Salary/Wage, Workplace, and Working Conditions, as well as topics women are often confronted with in the workplace: Representation & Career, Pay Equity, Discrimination, Flexibility, Family Support, and Parental Leave.

Public Evaluations: Women participants were given the chance to evaluate other employers in their respective industries, or the employers of friends, acquaintances, and family members that stand out either positively or negatively.

Diversity Among Top Executives/Board: Index based on the percentage of women among top executives and board directors.

"I am proud to work for an organization led by a diverse board of directors and leadership team that is consistently recognized for its commitment to gender diversity, equitable opportunities and an inclusive work environment," says Tanya Hart, Executive Vice President and Chief Human Resources Officer at First Horizon. "We continue to evaluate the changing dynamics of the workforce and evolve our practices to achieve performance goals while fostering work life balance."
