Evolus to Hold Conference Call Following Jeuveau™ FDA Approval

February 4, 2019

Conference Call Scheduled for 8:00am ET / 5:00am PT

NEWPORT BEACH, Calif., Feb. 04, 2019 (GLOBE NEWSWIRE) -- Evolus, Inc. (NASDAQ: EOLS), today announced that members of management will host a conference call today, February 4th, 2019, at 8:00 a.m. ET / 5:00 a.m. PT to discuss the FDA approval of Jeuveau™ and associated product label, review the TRANSPARENCY global clinical program and brand preview.

Conference Call Details
The live call may be accessed by dialing (866) 916-2317 for domestic callers or (703) 925-2662 for international callers and providing conference ID number 7696558. A live webcast of the conference call with accompanying slides can be accessed from the Events & Presentations page in the Investors section of Evolus' website at www.evolus.com.

A webcast replay will be available on the Evolus website for 30 days. A telephone replay will be available following its completion through February 11, 2019 by dialing (855) 859-2056 for domestic callers and (404) 537-3406 for international callers and use the replay conference ID 7696558.

About Jeuveau™
Jeuveau™ (prabotulinumtoxinA-xvfs) is a proprietary 900 kDa purified botulinum toxin type A formulation indicated for the temporary improvement in the appearance of moderate to severe glabellar lines in adults. Jeuveau™ is produced under strict quality and safety standards in a state-of-the art facility, specifically built to manufacture Jeuveau™. The safety and efficacy of Jeuveau™ has been evaluated in clinical studies with over 2,100 patients enrolled.

IMPORTANT SAFETY INFORMATION FOR JEUVEAU™ (prabotulinumtoxinA-xvfs)

JEUVEAU may cause serious side effects that can be life threatening. Get medical help right away if you have any of these problems any time (hours to weeks) after injection of JEUVEAU:

- **Problems swallowing, speaking, or breathing,** due to weakening of associated muscles, can be severe and result in loss of life. You are at the highest risk if these problems are pre-existing before injection. Swallowing problems may last for several months.
- **Spread of toxin effects.** The effect of botulinum toxin may affect areas away from the injection site and cause serious symptoms including: loss of strength and all-over muscle weakness, double vision, blurred vision and drooping eyelids, hoarseness or change or loss of voice, trouble saying words clearly, loss of bladder control, trouble breathing, trouble swallowing.

Do not use JEUVEAU if you: are allergic to any of the ingredients in JEUVEAU (see Medication Guide for ingredients); had an allergic reaction to any other botulinum toxin product such as rimabotulinumtoxinB (MYOBLOC®), onabotulinumtoxinA (BOTOX®/BOTOX® Cosmetic), abobotulinumtoxinA (DYSPORT®), or incobotulinumtoxinA (XEOMIN®); have a skin infection at the planned injection site; or are a child.
Jeuveau dosing units are not the same as, or comparable to, any other botulinum.

Tell your healthcare provider about all your muscle or nerve conditions, such as ALS or Lou Gehrig's disease, Myasthenia gravis, or Lambert-Eaton syndrome, as you may be at increased risk of serious side effects including difficulty swallowing and difficulty breathing from typical doses of JEUVEAU.

Tell your healthcare provider about all your medical conditions, including: any side effects from botulinum toxin products, including dry eye; breathing, swallowing, bleeding, or heart problems; plans to have surgery; weakness of forehead muscles; drooping eyelids; had surgery on your face; are pregnant or breastfeeding or plan to become pregnant or breastfeed (it is not known if JEUVEAU can harm your unborn baby or passes into breast milk).

Tell your healthcare provider about all the medicines you take, including prescription and over-the-counter medicines, vitamins, and herbal supplements. Using JEUVEAU with certain other medicines may cause serious side effects. **Do not start any new medicines until you have told your healthcare provider that you have received JEUVEAU in the past.**

Especially tell your healthcare provider if you: have received any other botulinum toxin product in the past and the last 4 months. and exactly which product you received (such as Botox, Botox Cosmetic, Myobloc, Dysport, or Xeomin).

JEUVEAU may cause loss of strength or general muscle weakness, vision problems, or dizziness within hours to weeks of treatment with JEUVEAU. **If this happens, do not drive a car, operate machinery, or do other dangerous activities.**

JEUVEAU can cause other serious side effects including: allergic reactions (such as itching, rash, red itchy welts, wheezing, asthma symptoms, or dizziness or feeling faint), heart problems (such as irregular heartbeat and heart attack), and eye problems (including dry eye, reduced blinking, and corneal problems). Tell your healthcare provider or get medical emergency help right away if you experience a serious side effect.
The most common side effects include: headache; eyelid drooping, upper respiratory tract infection, and increased white blood cell count in your blood.

APPROVED USE
JEUVEAU is a prescription medicine that is injected into muscles and used in adults for a short period of time (temporary) to improve the look of moderate to severe frown lines between the eyebrows (glabellar lines).
The risk information provided here is not complete. For more information about **JEUVEAU**, the full Prescribing Information including BOXED WARNING, and Medication Guide, visit www.evolus.com or talk to your healthcare provider.

To report side effects associated with use of JEUVEAU, please call 1-877-386-5871. You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.
