

## Logitech Announces Stock Split

Romanel-sur-Morges, Switzerland/Fremont, Calif. - April 27, 2000 -- Logitech (NASDAQ:LOGIY; Switzerland:LOGN, LOGZ), international market leader in human interface devices that define the way people link to information in business, at home and online, today announced that at a General Meeting of shareholders to be held on June 29, 2000, the company will propose a resolution authorizing a 2 for 1 stock split of its registered shares.

If the resolution is adopted, the stock split will be effected shortly thereafter. In connection with the stock split, each old American Depositary Share will be exchanged for two new American Depositary Shares of the company. The current ratio of ten American Depositary Shares to one registered share will remain unchanged. The prices of the company's registered shares traded on the SWX Swiss Exchange and the company's American Depositary Shares traded on the Nasdaq National Market would be adjusted on the effective date of the split.

### About Logitech

Founded in 1981, Logitech designs, manufactures and markets human interface devices and supporting software that link people to the Internet and enable them to work, play, learn and communicate more effectively in the digital world. Logitech's interface products include Internet video cameras; input and pointing devices such as corded and cordless mice, optical trackballs and keyboards; multimedia speakers; and interactive gaming products such as joysticks, gamepads and racing systems.

With operational headquarters through its U.S. subsidiary in Fremont, California, and regional headquarters through local subsidiaries in Romanel, Switzerland, and Hsinchu, Taiwan, R.O.C., Logitech International is a Swiss public company traded in Switzerland under the symbols LOGN and LOGZ, and in the U.S. on the Nasdaq National Market System (LOGIY). The company has manufacturing facilities in Asia and offices in major cities in North America, Europe and Asia Pacific.
