“Logitech had a record-breaking year, receiving 50 product design awards across multiple categories in 2017,” said Alastair Curtis, chief design officer at Logitech. “We’re honored to be consistently recognized by respected voices in the design community that recognize our goal of designing exceptional products that people love and enjoy.”

Produced by The Chicago Athenaeum Museum of Architecture and Design, the **GOOD DESIGN Awards** are presented each year to the most innovative industrial, product and graphic designs, in cooperation with the European Centre for Architecture, Art, Design and Urban Studies.

About Logitech

Logitech designs products that have an everyday place in people's lives, connecting them to the digital experiences they care about. More than 35 years ago, Logitech started connecting people through computers, and now it's a multi-brand company designing products that bring people together through music, gaming, video and computing. Brands of Logitech include **Logitech**, **Ultimate Ears**, **Jaybird**, **Logitech G** and **ASTRO Gaming**. Founded in 1981, and headquartered in Lausanne, Switzerland, Logitech International is a Swiss public company listed on the SIX Swiss Exchange (LOGN) and on the Nasdaq Global Select Market (LOGI). Find Logitech at www.logitech.com, the **company blog** or **@Logitech**.

2017 Logitech, Logicool, Logi and other Logitech marks are owned by Logitech and may be registered. All other

trademarks are the property of their respective owners. For more information about Logitech and its products, visit the company's website at www.logitech.com.
