

USA Compression Partners to Participate in J.P. Morgan Energy, Power & Renewables Conference

June 19, 2023

AUSTIN, Texas--(BUSINESS WIRE)--Jun. 19, 2023-- USA Compression Partners, LP (NYSE: USAC) ("USA Compression") today announced that its senior management will attend the J.P. Morgan Energy, Power & Renewables Conference in New York, New York. Senior management expects to participate in a series of meetings with members of the investment community on June 22, and presentation materials used during these meetings will be posted to USA Compression's website prior to the investor meetings. Please visit the Investor Relations section of the website at usacompression.com under "Presentations."

About USA Compression Partners, LP

USA Compression Partners, LP is one of the nation's largest independent providers of natural gas compression services in terms of total compression fleet horsepower. USA Compression partners with a broad customer base composed of producers, processors, gatherers, and transporters of natural gas and crude oil. USA Compression focuses on providing midstream natural gas compression services to infrastructure applications primarily in high-volume gathering systems, processing facilities, and transportation applications. More information is available at usacompression.com.
