QUALIFIED NOTICE

This release serves as qualified notice to nominees as provided for under Treasury Regulation Section 1.1446-4(b)(4) and (d). Please note that one hundred percent (100%) of USA Compression's distributions to foreign investors are attributable to income that is effectively connected with a United States trade or business. Accordingly, all of USA Compression's distributions to foreign investors are subject to federal tax withholding at the highest applicable effective tax rate. Nominees, and not USA Compression, are treated as withholding agents responsible for withholding distributions received by them on behalf of foreign investors. For purposes of Treasury Regulation section 1.1446(f)-4(c)(2)(iii), brokers and nominees should treat one hundred percent (100%) of the distributions as being in excess of cumulative net income for purposes of determining the amount to withhold.

FORWARD-LOOKING STATEMENTS

Statements in this press release may be forward-looking statements as defined under federal law. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties and factors, many of which are outside the control of USA Compression, and a variety of risks that could cause results to differ materially from those expected by management of USA Compression. USA Compression undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events, or changes to future operating results over time.
