The rates named in this Tariff are expressed in cents per barrel of forty-two (42) United States Gallons and are subject to change as provided by law.

Subject to the Rules and Regulations published in Holly Energy Partners – Operating, L.P.’s FERC No. 54.1.0 and successive issues thereof.

[N] Issued in compliance with 18 CFR § 341.3 – Form of Tariff

~~[C]The rates in this tariff are being established in accordance with the Commission’s January 20, 2022 order in Docket No. RM20-14-001, which reduced the index for the current five year review period from PPI FG + 0.78 percent to PPI FG – 0.21 percent (the “March 2022 Index”). To the extent that all or any portion of that order is reversed on rehearing or appeal and the index for the current five year period is increased from the March 1 Index level, the Carrier reserves the right to collect from shippers the positive difference, if any, between the rates resulting from application of the March 2022 Index and the rates resulting from application of the new index, for all barrels shipped from March 1, 2022 forward.~~

Special Permission Requested. Issued on less than thirty (30) days’ notice under authority of 18 C.F.R. § 314.14. This tariff publication is conditionally accepted subject to refund pending a 30-day review period.

ISSUED: March 23, 2022
