

FMC Corporation to Host Investor Technology Day at its R&D Headquarters in Delaware

March 2, 2020

PHILADELPHIA, March 2, 2020 /PRNewswire/ --

FMC Corporation (NYSE: FMC) announced its upcoming Investor Technology Day, to be held on June 17, 2020, at the FMC Stine Research Center in Newark, Delaware. Senior leadership will discuss FMC's platform for technological innovation, including global R&D capabilities and an update on its pipeline of new active ingredients and biologicals. The company will showcase the latest innovations that have been recently launched or are expected to be launched commercially over the next few years. The Company will also provide an update on its 5-year strategic plan, originally announced in December 2018. The full-day event will include an interactive tour of FMC laboratories and test fields on the site.

Please go to this website [FMC Investor Technology Day](https://www.fmc.com/investors) to express your interest in attending the event and to obtain more details. The event will be webcast live and a recorded archive will be available beginning June 18 at www.fmc.com/investors. The Company will also post supplemental information to its website on the day of the event.

About FMC

FMC Corporation, an agricultural sciences company, provides innovative solutions to growers around the world with a robust product portfolio fueled by a market-driven discovery and development pipeline in crop protection, plant health, and professional pest and turf management. This powerful combination of advanced technologies includes leading insect control products based on Rynaxypyr® and Cyazypyr® active ingredients; Authority®, Boral®, Centium®, Command® and Gamit® branded herbicides; Talstar® and Hero® branded insecticides; and flutriafol-based fungicides. The FMC portfolio also includes biologicals such as Quartzo® and Presence® bionematicides. FMC Corporation employs approximately 6,400 employees around the globe. To learn more, please visit www.fmc.com.

FMC, the FMC logo, Rynaxypyr, Cyazypyr, Authority, Boral, Centium, Command, Gamit, Talstar, Hero, Quartzo and Presence are trademarks of FMC Corporation or an affiliate. Always read and follow all label directions, restrictions and precautions for use. Products listed here may not be registered for sale or use in all states, countries or jurisdictions. Hero® insecticide is a restricted use pesticide in the United States.

Statement under the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995: This release contains forward-looking statements, which are based on management's current views and assumptions regarding future events, future business conditions and the outlook for the company based on currently available information. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results to be materially different from any results, levels of activity, performance or achievements expressed or implied by any forward-looking statement. These factors include, among other things, the risk factors and other cautionary statements included within FMC's 2019 Form 10-K filed with the SEC as well as other SEC filings and public communications. FMC cautions readers not to place undue reliance on any such forward-looking statements, which speak only as of the date made. Forward-looking statements are qualified in their entirety by the above cautionary statement. FMC undertakes no obligation, and specifically disclaims any duty, to update or revise any forward-looking statements to reflect events or circumstances arising after the date on which they were made, except as otherwise required by law.
