About CleanSpark

CleanSpark (Nasdaq: CLSK) is America's Bitcoin Miner™. Since 2014, we've helped people achieve energy independence for their homes and businesses. In 2020, we transitioned that expertise to develop sustainable infrastructure for Bitcoin, an essential tool for financial independence and inclusion. We strive to leave the planet better than we found it by sourcing and investing in low-carbon energy, like wind, solar, nuclear, and hydro. We cultivate trust and transparency among our employees, the communities we operate in, and the people around the world who depend on Bitcoin. CleanSpark is a Forbes 2022 America's Best Small Company and holds the 44th spot on the Financial Times' List of the 500 Fastest Growing Companies in the Americas.
